A Draft Habitat Management & Monitoring Plan has also recently been submitted and comments have been provided to the applicants' agent for them to produce a final version.

Amended Full Recommendation (Page 30):

It is recommended that **SUBJECT** to:-

1. The receipt of the awaited further BNG submissions and no objections being raised by the Council's Ecology Officer;
2. The completion of satisfactory Legal Agreements with both Rushmoor Borough Council and Hampshire County Council under Section 106 of the Town and Country Planning Act 1990 by 30th June 2025 or such later date as agreed by an extension of time to secure:-
 - (a) appropriate Travel Plan financial contributions, and Travel Plan implementation and monitoring; and
 - (b) requirements for the management and monitoring of the biodiversity improvements to be provided with the proposed development for a minimum period of 30 years, including provision of an appropriate BNG monitoring fee;

the Executive Head of Property and Growth in consultation with the Chairman be authorised to **GRANT** planning permission subject to the following conditions and informatives:-

However, in the event that a satisfactory s106 Agreement is not completed by 30th June 2025 and no Extension of Time has been agreed, the Executive Head of Property and Growth, in consultation with the Chairman, be authorised to refuse planning permission on the grounds that the proposal does not secure statutory biodiversity net gain and a Travel Plan to mitigate the highways impacts of the proposed development.

Proposal Variation of condition 1 imposed on planning permission granted on appeal ref APP/P1750/W/21/3278383 dated 17 February 2022 in accordance with the application ref 21/00048/REVPP, for the erection of a restaurant with drive-through and takeaway facility (Use Class E) with associated structures, fencing, parking, landscaping and vehicular access from North Close (following demolition of buildings and closure of access onto North Lane), to allow permitted hours of operation from 06:00 to 23:00 hours, 7 days a week

Address **1 North Close, Aldershot**

Page 48 insert:

A late representation has been received from 5 North Close objecting on the following grounds:

- Litter is still a major problem in the area. The queues at certain times of the day and noise from cars, and horns because no one knows how to use the roundabout, and boy racers is disturbing to residential amenity and the application will result in more of this. On quiet evenings and weekends the intercom is audible from the house and garden. Increases vermin and foxes. There is an impact on air quality.
