Cllr Nadia Martin (Vice-Chairman)
Cllr S. Trussler (Vice-Chairman)

Cllr Leola Card
Cllr P.J. Cullum
Cllr C.P. Grattan
Cllr Bill O'Donovan
Cllr M.J. Tennant

Apologies for absence were submitted on behalf of Cllr Thomas Day, Cllr G.B. Lyon and Cllr Becky Williams

33. MINUTES OF THE PREVIOUS MEETING

The minutes of the meetings held on 4th March, 2025 were agreed as a correct record.

34. WORK PLAN

The Committee noted the current Work Plan.

During discussions, the following issues were raised:

- Letter to HCC – the Chairman advised that a discussion needed to be had with the Leader of the Council to determine the way forward taking account of the changes relating to Devolution and Local Government Reorganisation.
- Housing and Homelessness Prevention Strategy – the Lead Officer read out an update on the current position with the Strategy, and advised that an item regarding this matter would be scheduled for July 2025.
- A request was made for an update from SERCO following the meeting in August 2024. A request would be made to the relevant officer and presented to the Progress Group for consideration.
- The Committee noted that it was considered too early for a report regarding the Climate Change Action Plan and the Young People's Plan as both had only recently be formally agreed by the Cabinet.

35. EXCLUSION OF THE PUBLIC

RESOLVED: That, taking into account the public interest test, the public be excluded from the meeting during the discussion of the under mentioned item to avoid the disclosure of exempt information within the paragraph of Schedule 12A to the Local Government Act, 1972 indicated against the item:

Minute No.	Schedule 12A Para. No.	Category
37	3	Information relating to financial or business affairs

36. DECLARATIONS OF INTEREST

Having regard to the Council's Code of Conduct for Councillors, the following declarations of interest were made:

Item No.	Member	Interest	Reason
37	Cllr S. Trussler	Personal and non-pecuniary	Director Rushmoor Homes Limited
37	Cllr Ivan Whitmee	Personal and non-pecuniary	Director Rushmoor Homes Limited
37	Cllr Gareth Williams	Personal and non-pecuniary	Director Rushmoor Homes Limited

It was noted that on 27th May, 2021, the Council's Corporate Governance, Audit and Standards Committee had granted dispensations to Members appointed by the Council to the Board of the Rushmoor Development Partnership and as Directors of Rushmoor Homes Limited and therefore Cllrs Trussler, Whitmee and Williams, remained in the meeting for the discussion.

37. UNION YARD, ALDERSHOT - APPROACH TO DISPOSAL OF RESIDENTIAL APARTMENTS (SEACOLE PLACE AND BURTON HOUSE)

The Committee welcomed the Leader of the Council - Cllr Gareth Williams, Executive Director - Karen Edwards, Executive Head of Property and Growth - Tim Mills, Executive Head of Finance - Peter Vickers, and Head of Regeneration and Development - Nick Irvine, who were in attendance to support the pre-decision scrutiny to be undertaken on the disposal of residential apartments at Union Yard, Aldershot.

Report No. EDPLACE2501 set out the background to the item, which had been requested by the Committee, to allow them to carry out pre-decision scrutiny on the approach and options for the disposals of 82 apartments in blocks C and D, (now

known as Seacole Place and Burton House) at the Union Yard development in Aldershot.

The Committee were being asked to consider five options, as set out below:

- 1) Disposal to the Council's Housing Company, Rushmoor Homes Limited
- 2) Disposal of individual units to the open market via a local estate agency
- 3) Disposal to a Registered Provider- part social / part private rent or shared ownership
- 4) Disposal for submarket rent for key workers
- 5) Disposal to private investor for private rent

The Chairman requested that the focus of the questions raised during discussion related to any gaps within the report, risks to the Council, and information that might assist the Cabinet in making the final decision.

Due to the nature of the information within the reports, which related to the financial and business affairs of the Council, the Chairman recommended that the item be considered in private.

Following a vote, the Committee agreed unanimously to hold the rest of the meeting in private.

During discussions with officers and representatives from Lambert Smith Hampton (LSH), a commercial property consultant engaged by the Council to assist with the process for disposal, Members were advised of the soft market testing process undertaken by LSH and their recommendations. It was advised that LSH had not gone out to the open market on this occasion and had chosen to approach the most appropriate potential buyers at the time. LSH advised this approach helped to avoid "spoiling" the offer in the wider market, should an open market disposal be required if no offers were received. In response to a query relating to timescales for full market sale, it was noted that this could take in the region of 2-3 months.

In response to a query regarding letting the units before selling them and would an income asset be of more interest to buyers, it was noted that, at this time, it was hard to say if any offers under these circumstances would have been more competitive as this depended on the nature of the investor. It would however, mean more risk for the Council who would continue to incur empty property holding costs during the lettings process which could take some months. In considering a suggested option to offer investors an incentive e.g. potentially purchase ten and get eleven units, it was advised by LSH that there was very little interest in acquisition of 'broken asset' where there were multiple small landlords subletting.

In relation to net operating income, it was advised that all parties had presented with costs and had their own view over/under the estimated figures. Some had shown to be more risk averse than others.

In response to a query regarding “room for negotiation” on the offers, it was advised by LSH that each had been pushed to get the best and final offer. This had resulted in one potential buyer increasing their offer and adding the commercial units into a second offer.

The Committee discussed the financial implications and risks. A view was expressed that a quick decision should not be made if more money could be made for residents over time. In response, it was advised that should a sale not be made by August 2025, forecast savings in the budget could not be achieved on interest costs and there would be additional unbudgeted holding costs. Risks related to the Rushmoor Homes Limited (RHL) option were also discussed. It was noted that further information had been requested on the approach to financing of this option, in advance of the Cabinet making their decision on 8th April.

It was agreed that it was important that the financial impacts, which varied between each option, were fully understood by the Cabinet before a decision was made.

In response to a query regarding Corporation Tax, it was advised that RHL would not be in a position to pay any Corporation Tax for some time, as interest payments would outweigh any income. In response to a question, it was confirmed that the Council were not able to exempt themselves from paying empty property tax.

A discussion was held on placemaking and the impacts of having empty commercial units within the site, if commercial units were empty, would residential units let easily and vice versa? The Committee expressed the view that it was important to ensure placemaking remained at the heart of the decision-making process for this asset. In response, the Leader confirmed that placemaking would be considered in the round, alongside risks, housing issues and financial implications. It was noted that the organisation submitting one of the offers had imposed some restrictions on commercial use on another acquisition and was proposing that final consent remained with them on some uses. In relation to the mix of end users the Committee recognised it was important to understand that compromises may need to be made to allow the units to be let both commercially and residentially.

In response to a query regarding commercial income, it was noted that the amounts identified in the budget were not substantial for 2025/26, this was due to rent free periods for potential leases.

RESOLVED that:

The Committee had understood the complex and balanced nature of the decision and requested that Cabinet consider the points raised during the Committee’s discussions as part of making their decision.

The Chairman thanked everyone for the contribution to the meeting.

The meeting closed at 9.23 pm.

CLLR HALLEH KOOHESTANI (CHAIRMAN)

Registered Providers Review Group Report

12th June 2025

REPORT NO:PG2515

REVIEW OF REGISTERED PROVIDERS (RPs) 2024/25

1. INTRODUCTION

- 1.1 This report is to update Members of the Overview and Scrutiny Committee on the work that the RP Review Group has carried out between September 2024 and June 2025.
- 1.2 As a non- stock holding authority it is essential that the council has a good working relationship with housing providers in the borough to be able to deliver its own housing priorities and duties.
- 1.3 The RP Review process allows members to look at the performance of housing providers, raise issues and concerns on behalf of residents which are not being resolved as they should, and press for service improvements where needed.
- 1.4 This year the group updated the Terms of Reference. A copy is attached for reference as Appendix 1.
- 1.5 The key changes ensure the council's five key priorities are embedded into the review process within a framework for collaborative working and appropriate challenge where needed, to:
 - Ensure residents and tenants can access good quality housing and housing related services
 - Ensure residents, councillors and officers all know the best way to get issues resolved, and who to go to for help
 - Strengthen neighbourhoods and communities
 - Ensure homes are energy efficient, reducing energy bills and Co2 emissions in existing and new homes
 - Work together to reduce deprivation and health inequalities

2. BACKGROUND

2.1 The membership of the group since June 2024 has been

Members	Officers
Cllr Halleh Koohestani (Chair) Cllr Gaynor Austin Cllr Bill O'Donovan Cllr Mike Smith Cllr Stephen Masterson	Zoë Paine Sarah Clark

2.2 The purpose of each review meeting is to build good working relationships with the council's RP partners, to understand how they are operating and the challenges they and their customers are experiencing.

Registered Provider	Meeting date
Metropolitan Thames Valley Housing	26 th March 2025
A2 Dominion	23 rd April 2025
Vivid	Declined

2.3 As Vivid is the council's largest stockholder with 5,626 affordable homes in the borough, they are invited to take part in the RP Review every year. This year they declined their invitation to attend, offering an all-member briefing as their preferred way to engage with the council. This is being reviewed by the Council's Managing Director and Executive Head of Property & Growth.

2.4 Engagement with RPs this year has been more challenging. A questionnaire was sent to other RPs with homes in the borough at the time of writing Accent, Aster and Grainger Trust were the only ones to reply (non-responders are being followed up).

2.5 The RPs are now being represented by middle managers rather than senior managers (in previous years Heads of Service or Service Directors were attending). The impact of this is the conversations are less strategic with an operational/ case-based focus. ted.

2.6 Executive level engagement on strategic housing issues is being arranged separately to the RP review process and included as a key performance measure in the council's delivery plan.

3 The Process:

3.1 Each RP provides financial and performance information, its policies, and strategies in advance of the meeting giving the group the opportunity to consider the information in advance. This year officers have developed a digital library with additional information that provides members of the group with more context including how they are performing against similar sized housing providers. The [RP Library](#) includes:

- Annual Reports
- Housing Ombudsman Reports
- Regulatory Judgements
- RBC issued RP Survey responses
- Tenant Satisfaction measures
- Questionnaire responses for RPs not taking part in the annual review.

5. Summary of Review Group findings

MTVHA- Matthew Cobb, Operations Manager

MTVHA own the 905 homes in the borough:

General needs rented	468
Leasehold (includes shared ownership)	329
Market Rent	8

Social Housing Regulator ratings: Governance G1 Viability V2 (strong & stable)

In 2024 Mel Barrett joined as Chief Executive and Maxine Gordon as Director of Housing, MTVHA's corporate priorities are Building Safety, Treating Customers Well, Getting the basics right.

MTVHA has recently re structured to provide separate, specialist management services for tenants and leaseholders. From April 2025 monthly estate inspections are being advertised more widely to encourage residents to attend.

The repairs service was brought in house in June 2024 which has improved their repairs service. Repairs issues raised at the meeting were known about and have since been completed. After the meeting a councillor raised a repair concern. RBC Private Sector Housing has worked with the vulnerable tenant and MTVHA team to resolve this.

Call wait times were discussed, data provided after the meeting showed these to be an average of 4 minutes for both Account Queries and Repairs calls.

MTVHA are actively looking for development opportunities in the borough.

A2 Dominion- Scarlett Hall, Area Manager (Deputising for Sarita Gregory- Brook Head of Neighbourhoods)

A2 Dominion own 368 homes in the borough:

Social Housing Regulator ratings: Governance G3, Viability G2 (significant governance improvements required, financially stable)

General needs rented	183
Leasehold	34
Shared ownership	71
Freehold	80

The standards of customer service and resident satisfaction are poor, as evidenced by the Ombudsman Report. Experience of Rushmoor residents, councillors and staff confirms this locally. Chief Executive Ian Wardell is leading change with focus on implementing a new system to improve record keeping, closer resident involvement and ensuring staffing levels are maintained at appropriate levels. The Social Housing Regulator has been involved in the governance improvements around Business Planning, Risk and control and data. More information can be found here: [Our regulatory grading | A2Dominion](#)

The priorities for this given were for Scarlett's area of work which are to ensure all issues are responded to within 5 working days, keeping residents updated regularly and ensuring accurate case records are logged.

Councillors explained that there has been a breakdown in trust between residents and the staff at A2. Scarlett explained a new Neighbourhood Manager Abigail Ryan has been appointed and a site meeting will be arranged for councillors with Abigail and also the Leasehold Manager Hakeem Whittaker.

A2 are not seeking development opportunities in the borough currently.

Scarlett deputised for the Head of Neighbourhoods which meant questions relating to repairs, stock condition, anti-social behaviour and complaints needed to be referred and the discussion.
--

6 Conclusion

The RP Review process continues to play an important role in the council developing good working relationships with housing providers. The meetings enable members and officers to improve their understanding of the condition and management of affordable homes in the borough and provides an appropriate platform to address any concerns.

It is proposed that a further programme of review is carried out in 2025/2026.

7 Recommendation

That the Overview and Scrutiny Committee is requested to:

1. Endorse the programme of work carried out in 2024/25.
2. Authorise the Review Group to prepare a programme of reviews for 2025/26

Registered Providers Task and Finish Group

Rushmoor Borough Council

Terms of Reference 2024/25

Purpose

The Group will meet with Registered Partners (RP's) operating in the Borough to improve partnership working, monitor performance and scrutinise any issues negatively impacting residents

Terms of Reference and Responsibilities

To improve member and officer understanding of the business opportunities and challenges facing RPs.

To explore how RPs, support the council in the delivery of its five key priorities which are:

- Skills, economy, and business
- Homes for all: quality living, affordable housing
- Community and wellbeing: active lives, healthier and stronger communities
- Pride in place: clean, safe, and vibrant neighbourhoods.
- Vision for the future and financial sustainability

To look at how we can work together to:

- Ensure residents and tenants can access good quality housing and housing related services.
- Ensure residents, councillors and officers all know the best way to get issues resolved, and who to go to for help.
- Strengthen neighbourhoods and communities.
- Ensure homes are energy efficient reducing energy bills and Co2 emissions in existing and new homes.
- Work together to reduce deprivation and health inequalities

To monitor the performance of the RPs, scrutinise underperformance impacting residents and work together to resolve any problems.

To achieve a good understanding of the following, and work to support excellent outcomes with any issues for Rushmoor residents:

- Housing management for all tenures
- Maintenance of property and neighbourhoods including mould prevention and tackling anti-social behaviour
- Customer service and compliance with the Housing Regulators Customer Standards
- Assisting residents with welfare issues
- Ward member' experiences of working with the RPs.

Membership:

The Group will consist of up to six Members appointed by the Overview and Scrutiny Committee reflecting the political balance of the Council.

Meetings:

The Group will:

- Be chaired by one of the Overview & Scrutiny Committee (Chair or Vice Chair).
- Hold three meetings each year with neighbourhood visits where practical.
- Submit a report of their findings to Overview and Scrutiny Committee.

Conduct of meetings:

Meetings will be facilitated by officers from the Housing Strategy and Enabling Team to provide advice and support to Members.

To assist Members in their scrutiny role they will be provided with a copy of standard questions plus specific, supplementary questions as required and a background pack containing the following information:

- Annual report and accounts
- Recent tenants' newsletter
- RP's performance indicators
- Staffing Structure

This information will allow Members to have a good understanding of the RPs general performance. Any issues found to be found to be impacting residents will be scrutinised by the group in order to understand what steps the RP is taking to resolve them and where the council may be of assistance. Any such issues will be discussed with officers before meeting the RPs.

An email will be sent to each Ward Member before each meeting to request evidence for the review process. This will be included in the pack.

OVERVIEW AND SCRUTINY COMMITTEE WORK PLAN

The purpose of the work plan is to plan, manage and co-ordinate the ongoing activity and progress of the Council's Overview and Scrutiny Committee. It will be updated regularly and presented to each meeting of the Committee. It will include issues that are currently being actioned as well as those that will be subject to future work.

The Committees Terms of Reference are as follows:

- to perform all overview and scrutiny functions on behalf of the Council;
- to appoint such formal sub-committees and informal task and finish groups as it considers necessary to assist it in discharging its functions;
- to prepare and approve the overview and scrutiny work programme so as to ensure that the Committee's time is effectively and efficiently utilised;
- to undertake investigations into such matters relating to the Council's functions and powers as:
 - (1) may be referred by the Council, Committees, the Cabinet, or the Leader; or
 - (2) the Committee may consider appropriate; or
 - (3) have been referred to the Committee pursuant to the "call-in" procedure set out in the Overview and Scrutiny Procedure Rules in Part 4 of this Constitution. (These can be decisions taken by the Cabinet, a Cabinet Member, key decisions taken by an officer or under joint arrangements).
- to monitor and review the performance of the Council and services against relevant performance indicators and adopted plans;

- to review and/or scrutinise decisions proposed to be made (pre-decision scrutiny) or actions taken in connection with the discharge of any of the Council's functions;
- to review existing policy and strategy with a view to securing continuous improvement in the way in which the Council's functions are exercised, having regard to a combination of economy, efficiency and effectiveness;
- to make reports and/or recommendations to the full Council and/or the Cabinet in connection with the discharge of any functions;
- to review and/or scrutinise any matter affecting the area or its inhabitants;
- to discuss initiatives put forward for consideration by individual members of the Committee and any relevant 'call-for-action' in accordance with the Overview and Scrutiny Procedure Rules set out in Part 4 of this Constitution; and
- to consider petitions referred to the Overview and Scrutiny Committee in accordance with provisions set out in the Petition Scheme set out in Part 4 of this Constitution.

KEY DECISION? NO

**COUNCIL PLAN AND RISK REGISTER QUARTERLY UPDATE
AND YEAR END 2024/25**

SUMMARY AND RECOMMENDATIONS:

This report sets out the performance monitoring information for the Council Plan and key service measures for the fourth quarter and end of year of 2024/25. This includes key projects and activities from the Council Plan and key service indicators/measures used by the Council to monitor how the Council runs.

Factors that could impact on the Council's wider operations and the future delivery of the Council's key priorities have been identified in the Council's Risk Register. A summary of the significant changes, including details of any new risks and those that have seen a significant change in the risk gap (the gap between residual and target risk scores) is provided for discussion.

The Cabinet is recommended to:

- i) note the progress made towards delivering the Council Plan and the latest performance information in relation to council services
- ii) consider the changes highlighted in the Corporate Risk Register as set out in sections 4.4. – 4.7 of this report.

1. INTRODUCTION

1.1. Performance management is a tool to drive improvement across the Council.

1.2. Effective performance management:

- helps to ensure that the Council is achieving what it set out to do and giving good value for money – without measuring results it is difficult to tell success from failure
- it enables the understanding of “how the Council is doing”
- helps to identify success (so that it can be rewarded and learnt from) and to identify failure (so that it can be corrected and learnt from)
- is linked to good decision making - using information about how things are now to help make decisions about how to make them better
- helps to ensure decisions have been carried through
- is at the heart of good management

- 1.3 Annex A of this report sets out performance monitoring information for the Council Plan and Annex B sets out the Risk Register as at March 2025.

2. BACKGROUND

- 2.1. The Council Plan provides a focus for the Council's activities and services and outlines the council's priorities and key strategic projects.
- 2.2. The Council has continued to monitor the key activities and projects from the Council Plan agreed by Council in June 2023 ([Council Plan - Rushmoor Borough Council](#)). The Council Plan highlights the Council's key projects and activities, performance of the Council and Council Services is measured through monitoring key service indicators and measures.
- 2.3. In April 2025 the Cabinet agreed a new [delivery plan for 2025/26](#), which will replace the 2023-2026 Council Plan. The new delivery plan is due to be considered by Council at its meeting on 10th July 2025.
- 2.4. The Corporate Risk Register is also included in the Council's quarterly performance reports to highlight factors that could impact on the future delivery of the Council Plan or affect the Council's performance. Risk management is of vital importance to all organisations to enable them to continue to be effective, sustainable and successful.

3. KEY SUCCESSES IN 2024/25

- 3.1 Over the past year the Council has agreed and delivered a range of projects. Including:
- Cabinet agreed new priorities for the Council and developed the 2025/26 Delivery Plan – which is set to go to Council in July
 - The Council has been able to move forward with plans to build a new leisure centre in the heart of Farnborough town centre. The new centre is set to include a 25-metre swimming pool and learner pool, along with a gym offering more than 100 fitness stations.
 - After three years of construction work and a multimillion-pound investment by the council, the Union Yard development in Aldershot town centre was completed and ready for occupation
 - The Council held a Men's Health Day in January in Farnborough. The event featured over 20 organisations focussing on men's health and sporting activities, as well as offering free drop-in health checks.
 - Following the success of the first 'Walk this Waste' event in Farnborough, in December 2024, in which local people were invited to walk their bulky household waste items to a mobile van for free disposal, further areas have now benefited from this initiative.
 - A new Rushmoor beacon in Manor Park, Aldershot, which was lit for the first time at the planned VE Day commemorations in May 2025.

- The Rushmoor Community Lottery celebrated seven years of fundraising for worthy causes across Aldershot and Farnborough with a special event at Farnborough Bowling Club.
- The Council agreed two new equality objectives and has introduced the requirement for appropriate equality impact assessments to be carried out for all new Council projects and policies.
- Using the UK Shared Prosperity Fund (UKSPF) the council purchased and installed six Public Access Defibrillators (PADs) for specific locations across Rushmoor where existing coverage is considered inadequate.
- UKSPF funded a vibrant new art installation at Aldershot railway station after "All Aboard" was unveiled at a special ceremony.
- 14 shop front improvement grants (via the UKSPF) were awarded to independent businesses across Aldershot, Farnborough and North Camp.
- The Council secured funds to provide temporary homeless accommodation and sustainable settled housing to those on the Afghan Citizens Resettlement Scheme.
- A series of special events celebrating Rushmoor's history and traditions were held in September with the launch of Rushmoor Heritage Festival. More than 25 events took place celebrating Aldershot and Farnborough's unique heritage and culture - the local area's largest celebration of history.
- Cabinet approved a new Young Peoples Plan. The plan aims support young people, up to the age of 24, to help improve opportunities and support them to live happy, healthy and rewarding lives.
- A grant was received from the Chewing Gum Task Force, managed by environmental charity Keep Britain Tidy, will help the Council to keep its streets clear of discarded gum and to reduce gum littering.
- The Council formally adopted the Mobile Homes Fit and Proper Person Determination Policy.
- Redan Road chapel was opened May 2024 to hold funerals while Aldershot Crematorium is refurbished.
- The Climate Change Strategy and Action Plan to cover the period 2025-28 was agreed. The action plan identifies ten priority actions.
- The Rushmoor Climate Community Group started this year and has given residents who are interested in, or have concerns about the climate crisis and the environment, an opportunity to discuss and give feedback on Council policy. The group is going on to look at community projects including raising awareness.
- Funding was granted for solar panels and pool covers at the Aldershot Pools and Fitness Centre to improve the energy efficiency of the existing facility.

4. PROGRESS AGAINST THE COUNCIL PLAN

- 4.1. Annex A sets out the Rushmoor Borough Council Performance Data for quarter 4. As it is the end of the financial year the performance document report also contains end of year data.

- 4.2. The document contains two areas of performance. Firstly, progress against planned projects and activities and a set of place based and service indicators and measures. These show how data has improved or declined from last quarter (or this quarter last year) and whether any target has been met. For future reports the indicators and measures will be revised in line with the new Council Delivery Plan agreed.
- 4.3. The data within Annex A is set out by Cabinet portfolio and key issues and changes are set out below.

Economy, Skills & Regeneration

- 4.3.1 During Quarter 4 there was significant progress with the completion of the Union Yard development in Aldershot and engagement with Homes England and development of an alternative and viable scheme for the Civic Quarter in Farnborough.

Housing & Planning

- 4.3.2 The % of planning applications determined on time in 2024/25 was above the target and none of the seven planning appeal decisions in 2024/25 were allowed.
- 4.3.4 The target of 450 gross affordable housing completions over any three-year period was missed at the end of 2024/25, with only 312 being completed in the three-year period. There have been some delays with the delivery of affordable housing at Wellesley.

Healthy Communities & Active Lives

- 4.3.5 The status of the new Farnborough Leisure Centre has gone from red to green with the council moving ahead with the revised scheme, following approval from MHCLG.

Pride in Place / Neighbourhood Services

- 4.3.6 The number of funerals held in 2024/25 was below the expected range. The Aldershot Crematorium refurbishment project continues to experience delay resulting from unforeseeable design issues leading to contract variations. The project is moving forward with the first cremator being installed and commissioned.
- 4.3.7 The % of waste recycled is slightly below the target of above 43% but the amount of waste collected per household continues to fall and is comfortably under the target amount of under 110kg.
- 4.3.8 The income from Penalty Charge Notices (PCNs) is below the expected amount, this may be due to increased compliance in our car parks which would be a positive outcome.

- 4.3.9 Incidence of antisocial behaviour are a concern to the Council. The Council continues to prioritise work in this area through the work of the CPO team. The stats will continue to be closely monitored over the course of 2025/26, where it is hoped that things will continue to improve as has been seen over the last quarter.

Finance & Resources

- 4.3.10 Council Tax collection rates are back to the pre-covid levels and the % Freedom of Information requests responded to on time has reach an all-time high during Q4 at 95%
- 4.3.11 The number of working days lost since the previous quarter continues to increase and has reached a three year high. During quarter 4 there were less sickness episodes but an increase in long term absences. Anxiety, Stress & Depression continues to be the most common reason for days lost.

Policy, Performance & Sustainability

- 4.3.12 The percentage of UKSPF projects on track was 100% as the three-year programme came to an end. The whole UKSPF million-pound programme came in slightly underbudget with around £750 unspent. All monitoring returns have been made by the 1 May deadline and the fund for 2025/26 should be £327,146.

CORPORATE RISK

4.4 Corporate Risk Register

- 4.4.1 There has been a significant focus on improving the way the Council manages and responds to risk over the past 12 months. Risks continue to be routinely reviewed and discussed at both a service level and amongst senior management. The risk management system continues to be an important tool for overseeing the Council's risk identification and mitigation activity.
- 4.4.1 The risk management policy and arrangements were reviewed and adopted by Cabinet on 14 January 2025. Work to develop and embed the operational changes required has commenced, alongside the development of a formal strategic risk appetite/policy. This work is expected to be concluded during Q2 2025/26.
- 4.4.2 The public version of the corporate risk register (v19.1) is attached as Annex B and contains information that is redacted or removed due to its sensitive nature. For full transparency these redacted risks are made available to Cabinet, prior to the Cabinet meeting at which they are discussed, and at meetings held with the respective Portfolio Holders.

- 4.4.3 Portfolio Holders and Risk Owners continue to be reminded of the importance of routinely discussing risk during their briefings, at least monthly.

4.5 Strategic Risks

- 4.5.1 The key strategic risks within the Corporate Risk Register predominantly relate to areas that the Council often only has partial influence upon, including wider community risks such as health outcomes and deteriorating economic conditions. There have been no additional risks identified in this section of the risk register, but there have been updates throughout in the plans to mitigate them.
- 4.5.2 Due to the recent changes to the Senior Management Structures at the Council, a number of risks have been provided with temporary risk owners. These temporary arrangements will remain in place until such time as more permanent Service structures are determined and the risk registers/risks can be re-assigned.
- 4.5.3 The risks relating to economic conditions and the decline in the retail sector have seen a revised inherent risk score applied, remaining high but with an increased score applied. This is as a result of the wider operating conditions within the UK at this time and the economic challenges presented.
- 4.5.4 In addition, the risk relating to changing external policy context has been updated to include further detail around Devolution and Local Government Reorganisation (LGR). As this report relates to the Council's position in Q4 2024/25, decisions relating to preferred options on LGR had not been made. As such, the full details will be included during Q1 2025/26, with LGR being assigned its own risk status with a dedicated Senior risk owner.

4.6 Standing Corporate Risks

- 4.6.1 The Council's standing corporate risks are generally more operational in nature and relate to the work of the Council. One risk has been removed during this period regarding the delivery of a Leisure and Cultural Hub, work which is no longer going ahead. There have been no other significant changes, although there has been updates made to the mitigation measures throughout the register.
- 4.6.2 As with the Strategic Risks impacted by recent structural changes, temporary risk owners have in some cases been assigned to Standing Corporate Risks.
- 4.6.3 The inherent and residual risk scores for employee engagement have been increased, both remaining high. This is predominately due to the progression of the LGR programme within Hampshire.

- 4.6.4 The residual risk score for the Council's portfolio income has also been increased to high, which in turn increases the risk gap between that and the target risk. This should be considered by Cabinet and a consensus reached on the adequacy of the future mitigations planned in order to reduce the risks to the Council's financial position.

4.7 Escalated Service Risks

- 4.7.1 The Council's escalated service risks are generally operational and more transient in nature and are therefore expected to develop and change quicker than others on the register. Overall, the number of risks in this area has remained the same, with one added and one removed. Other than updates in the narrative, there have been no significant changes to the escalated service risks.
- 4.7.2 The risk relating to the refurbishment of the Crematorium has been added. The details of this risk have been redacted from the public version of the register due to their commercially sensitive nature.
- 4.7.3 The risk relating to the LEP absorption into Hampshire County Council has been removed.

Alternative Options

- 4.8 Not applicable – report for information purposes only.

Consultation

- 4.9 Arrangements for ongoing performance monitoring for the 2024/25 financial year has been carried out in close consultation with the Portfolio Holder and Cabinet.

5. IMPLICATIONS (of proposed course of action)

Risks

- 5.1 Report for information purposes only

Legal Implications

- 5.2 Report for information purposes only

Financial and Resource Implications

- 5.3 There are no direct financial implications as a result of this report. Quality performance management throughout the financial year supports the council in the delivery of services to budget. Through good management the council can support the achievement of value for money when utilising public funds.

Resource Implications

5.4 Report for information purposes only.

Equalities Impact Implications

5.5 Report for information purposes only.

Other

5.6 No other implications have been identified.

6. RECOMMENDATIONS

The Cabinet is recommended to:

- i) Note the progress made towards delivering the 2023-2026 Council Plan and the latest performance information in relation to council services.
- ii) Consider the changes highlighted in the Corporate Risk Register as set out in sections 4.4. – 4.7 of this report.

Council Plan Performance

Council Plan activities/projects	Last quarter Q3	This quarter Q4	Comment
PL1 – Complete Aldershot town centre’s Union Yard regeneration scheme			<ul style="list-style-type: none"> All accommodation has been handed over and the project achieved Practical Completion on 10/03/2025. In respect of Blocks C and D, the Council has been undertaking a market appraisal exercise to ascertain the best route to realise capital receipt, and the Cabinet resolved to disposal of the Blocks at its meeting of the 14 April 2025. On 31/03/2025 the disposal of Block E to Vivid on a 999-year lease was successfully completed. Vivid will now look to let and occupy the 18 flats.
PL2- Progress the regeneration of Farnborough town centre, including the civic quarter			Project Officers met with representatives of Homes England in early January to commence the process of an unconditional disposal of the majority of plots (with the exception of Plot D and Plot I). Following the meeting, the team has issued across a number of supporting documents to help inform a valuation process. It is anticipated that the Council will have an indication of plot values provided by Homes England w/c 28th April.

PE5 - Support key business sectors and help people to access the opportunities that they offer

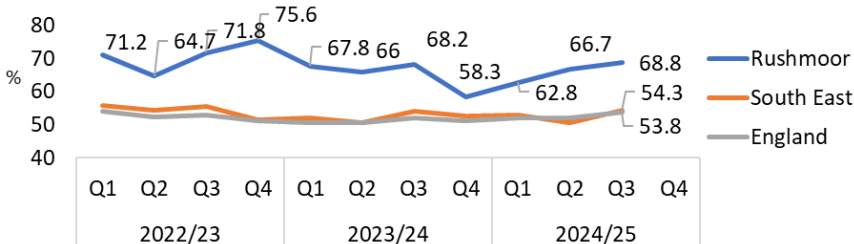

Page 32

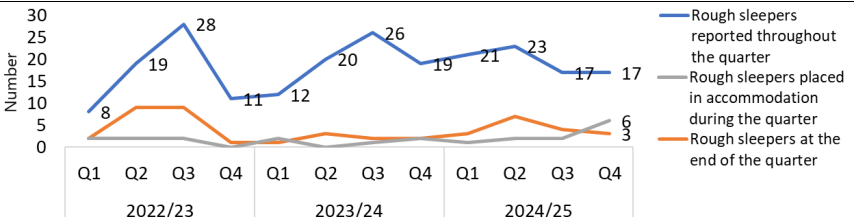

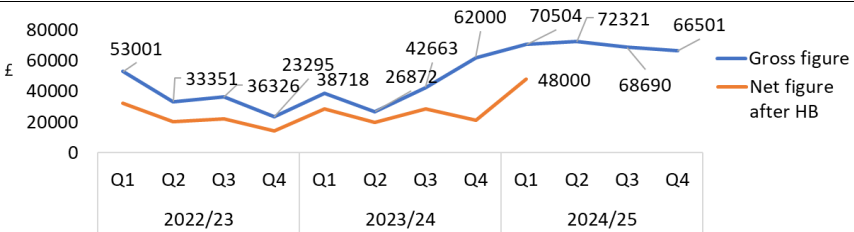

- The council has supported several business networking events including a Business Leader's networking event at Farnborough Airport (28 Feb) and a business networking event with Alex Baker MP and the Leader of the Council in partnership with Hampshire Chamber of Commerce (31 January). The council supported and exhibited alongside 50 other partners and businesses at the Farnborough Business Expo in March 2025. The council has supported new Farnborough gaming industry meet ups and is also continuing to work with the My BIZHUB Business Networking Group to facilitate new business networking opportunities in the borough.
- New guides to running a successful business have been produced to help support business growth in the borough. The council's 1-1 business support partner Incuhive actively supported 105 businesses in 2024, up from 67 businesses in 2023.
- Recent initiatives to support local residents access employment, skills and training have included running a Creative Careers day at Farnborough International Space Show; 30 students from Farnborough Sixth Form College's 'Inspire Programme' heard from speakers in a range of different careers in creative industries. Other activity over the last quarter includes:
 - The council has supported Stemettes to run 'Tap & Tinker' sessions at primary schools across the borough with the aim of inspiring young women into STEAM careers.
 - Signing off an Employment & Skills Plan for Bellway Homes at the Wellesley site in Aldershot; showing their commitment to support apprenticeships, training, careers engagement and local employment over the next 4+ years.
 - Supporting a new Skills Bootcamp for Runners, an essential entry-level role in the TV and film industry, at the Farnborough Film Studios

Quarterly update on the Local Plan:

The Rushmoor Local Plan was adopted in February 2019. By law, Rushmoor Borough Council must keep under review matters that affect the development of the borough and the planning of its development. It is also obliged to review any Local Plan that it has adopted within five years from the date of its adoption, that is, by 21st February 2024. The Council undertook a review of the adopted Local Plan in 2023 and decided that an update of the Local Plan policies is required and that this is expected to affect one or more strategic policy, which would require a full review of the Plan. The consequence of this decision is that a new Local Plan will need to be prepared for Rushmoor.

The Levelling Up and Regeneration Act 2023 paves the way for reforms to the plan-making process and the form and content of local plans. In 2023, the previous Government consulted on some of the detail of these reforms. It is expected that the majority of these proposals will be carried forward by the new government, but the full implications of the reforms will not be known until more information (including secondary legislation) is published, which is proposed for later in 2025. In the meantime, the Council is progressing work on the Local Plan where clarity exists and aims to formally start the process of preparing a new Local Plan once the above information is available.

PE1- Work with public and voluntary sector partners to support our residents			<ul style="list-style-type: none"> The Young Peoples' Plan was adopted by Cabinet in January 2025. The initial one-year plan has 4 priorities overarching 17 projects. Work to identify priority projects, (re)engage key council officers and community partners, and start/continue delivery was carried out in Q4 Youth Cafe is running weekly and attendance with 10-15 young people regularly attending. Youth cafe has had support from Fortify Services around mental health, anxiety, confidence, anger management and emotional support. Rushmoor Youth Voice (RYV) held a session on substance awareness and understanding cultural differences. 11 young people attended, and one young person has written a report to go to schools and colleges about the benefit of the workshops. Next RYV session on 7th May at Step by Step focusing on skills, employment and budgeting.
PE4 - Working with partners, encourage more residents to be active and have healthier lifestyles			<ul style="list-style-type: none"> Live Longer Better grant successful with £15K in first round and £500 in second round – total £15,500 for delivery of Live Longer Better projects
PE3 - Progress the development of a new leisure centre and cultural hub in Farnborough			<ul style="list-style-type: none"> Cabinet approval was given on the 11 February to proceed with the revised scheme and commence the leisure operator procurement. Designs are being progressed taking into consideration the site and budget constraints. Two options are currently being explored with the intention to take one option through to RIBA stage 3 in May. Wider consultation is taking place to understand how residents feel about being active in the borough via a survey which will run for 3 weeks.

PL4 - Work with partners to deliver the Rushmoor Cultural Strategy and build on Rushmoor's rich heritage to both increase community pride and the visitor economy.			<ul style="list-style-type: none"> The council has supported a series of projects and activities celebrating the borough's heritage including a 'Hands-On Heritage Family Fun' day at Princes Mead, Farnborough (February) and '50 years of Rushmoor Celebration Evening' in Aldershot (March); an event run by local historians. Using UKSPF funding the council also supported an immersive exhibition at the Farnborough wind tunnels, a celebration of the town's aerospace heritage. The council's 2025 town centre event events programme has been confirmed and published on the council's website. This includes Victoria Day on 7 June, Armed Forces Day Prom in the Park (28 June), and a series of other events and activities. Monthly craft fayres have been planned for both towns (10 in Farnborough and 4 in Aldershot) with the new town square in Farnborough providing an opportunity to expand the craft fayre in Farnborough.

PL5- Continue progress towards our goal of becoming a carbon neutral council by 2030 through reducing emissions in our facilities and operations			<ul style="list-style-type: none"> Climate Change Strategy & Action Plan 2025-28 agreed by Cabinet in March, setting out the Council's approach to Climate Action and 10 refreshed priority actions for this period. Climate Trackers (school outreach scheme), has been delivered to three schools, with the final school to be delivered throughout April. Rushmoor Climate Community Group continues to grow, with 80 people signed up. The second meeting of this group continued to maintain good attendance. The group fed back on the draft refreshed Climate Change Action Plan which inputted into the refresh process. A member of this group presented to the group around a key topic for consideration, with more interest for other group members to present on a relevant project within Rushmoor at the next meeting.

New Carbon footprint data is currently being calculated – next to be reported in Q1 2025/26

Quarterly update on the Customer, Digital & Technology Strategy:

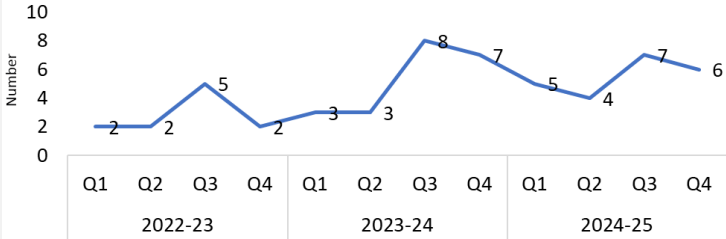

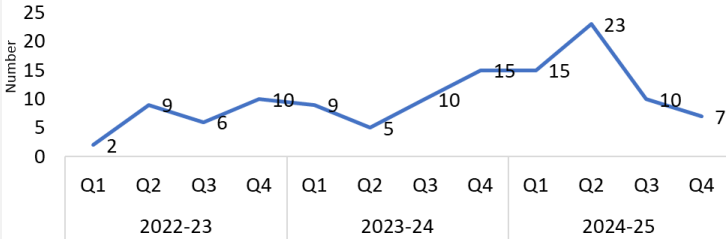

Latest headlines:

- Training provided to staff on Power BI (Reporting tool) at various levels. Working group set up to progress the wider usage of the platform around the Council.
- New admin charge process for Recycling Bins went live online and in the CSU on 1st April, alongside the yearly price increases.
- After the success of the Council Tax e-billing process, during annual billing for 2025/26, a total 40,750 bills were issued, of which 6,559 (16%) will be delivered by email. This is compared to 2024/25, when 7% of bills were delivered via email. Comprehensive marketing about the new service was included with this year's paper bills, so we envisage another sharp increase in sign-ups.
- Major upgrades for websites still underway. Rushmoor Homes is now Live with CRM and Princes Hall provisionally booked for Go Live before the end of April.

Equality, Diversity and Inclusion

Quarterly update on the Equality, Diversity and Inclusion Action Plan:

- Currently 50% of the actions in the action plan are completed
- The People Team will shortly be publishing the Ethnicity pay gap data.
- Equality, Diversity and Inclusion training for service managers, report writers, and relevant members has started and will be complete at the end of April 2025.
- Workplace charters to be revisited.

Financial sustainability of public sector partners	Ian Harrison	ST	<p>The financial sustainability of a wide group of public sector partners is negatively impacted, resulting in reduced service provision by all.</p> <p>In this scenario, the range and quality of services available to residents could be impacted.</p> <p>This could have negative repercussions for health, education, community outcomes and economic outcomes identified in the Council Business Plan/Delivery Plan</p> <p>It is possible that the Council would be expected to meet some of this 'gap' in provision thus exposing the Council to potential financial and reputational risk.</p>	12	High	↔	<p>Close partnership working at a senior officer and political level with the Council's public sector partners.</p> <p>Members and Officers are well briefed on potential implications/risks arising from decisions taken by other public sector partners.</p> <p>Responses to relevant consultation documents (HCC budget consultations) and undertake further planning activity in light of proposals.</p>	8	High	↔	<p>Continued horizon scanning/monitoring of the broader policy context.</p> <p>Further development of joint working with partner agencies in early 2025/26.</p> <p>Consideration of financial sustainability and financial impacts resulting from Local Government Reorganisation</p>	6	Medium	↔
Deteriorating economic conditions	Tim Mills	ST	<p>Adverse changes to the economy could result in the loss of major employers within the borough and/or impacts on particular sectors of the economy. This could result in increasing levels of unemployment and higher levels of deprivation and inequality.</p> <p>The recent economic uncertainty is likely to reduce GDP, create inflationary pressure and its impact on interest rates is unclear.</p> <p>Impact of rising inflation on the cost of living and consumer confidence.</p> <p>Low business confidence impacting on investment decisions inc. business lettings.</p> <p>Changes of this nature have potential implications for the council in terms of increased demand for services and adverse financial impact.</p> <p>There is also a reputational risk if the council is not seen to be adequately responding to economic changes or supporting residents.</p>	12	High	↑	<p>Partnership working with other organisations on support for the economy and local businesses.</p> <p>Engagement with businesses and business networks.</p> <p>Maintaining an understanding of local economic conditions – tracking economic indicators at a local level.</p> <p>Ensuring that key issues/ events are escalated to CMT/ ELT at the appropriate time.</p> <p>Strategic Economic Framework agreed in April 2022.</p> <p>Close working with business rates team on hardship and growth incentive reliefs to retain businesses and secure investment.</p>	9	High	↔	<p>Inclusive 1-1 business advice and support</p> <p>SeedL - training hub</p> <p>Business surveys to understand business needs. Consider targeted action based on survey.</p> <p>Signpost business support via dedicated business support channels</p>	6	Medium	↔
Decline in the retail sector/town centre uses and subsequent impact on town centres	Tim Mills	ST	<p>Economic and social changes have a more significant negative impact on Farnborough and Aldershot town centres, and other district centres and therefore reduce the ability to deliver the Council Plan priority of delivering vibrant town centres. This could result in a significant number of empty retail units, a loss of facilities and amenities (e.g. high street banking) for residents and a possible increase in crime and anti-social behaviour.</p> <p>A decline in the retail sector will also have an impact on business rates income for the Council.</p> <p>Changes to Permitted Development Rights undermine high street vitality.</p> <p>Store closures e.g. Wilko, and chains such as Cincworld in financial difficulty, demonstrate the potential further retrenchment of the retail and hospitality sector.</p> <p>The increase in Employers NI, reduction in Business Rate Relief coupled with the wider economic uncertainty is likely to see businesses that have been holding on go to the wall causing increased vacancies in the Town Centre.</p>	12	High	↑	<p>Programmes of town centre regeneration in both Aldershot and Farnborough which give consideration to future economic and social trends.</p> <p>Dedicated resource within EPSH, working with retail sector and other partners to support town centre businesses.</p> <p>Activity in both town centres to maintain/increase footfall e.g. cultural and arts activity</p>	9	High	↔	<p>Close engagement with and ongoing provision of business support to town centre businesses.</p> <p>A series of visits will be initiated to test the position of businesses across the Council's</p> <p>Work with Community Safety Team to tackle increased or perceived increase in ASB/ crime in the town centres.</p> <p>Town centre events and additional markets/craft fayres planned.</p> <p>Union Yard completion provides opportunity for new lettings which can draw additional footfall and residential once let will also assist.</p>	6	Medium	↔
Poor Educational Attainment	Ian Harrison	ST	<p>Educational attainment continues to present challenges. This may have an impact on deprivation, unemployment etc. Impact on the area's local reputation. May impact on service demand.</p>	9	High	↔	<p>HCC responsible for Education. RBC supporting role. Demographic change	Ian Harrison	ST	Changes in Rushmoor's demography could impact on services required or expected by residents as well as how they engage with the economy or society more generally. Any sudden shifts in demography may not be visible to the Council for a period of time which could result in services not being delivered effectively or efficiently and could impact on the Council's ability to deliver its aim of having strong communities who are proud of their area. A strong understanding of the area's demography will also be important as devolution and reorganisation proposals are developed.	6	Medium	↔	Community engagement work may identify some changes ahead of them being reported in data sets. Review and analyse publicly available datasets, alongside those held by the Council. Work with partners to understand trends that exist at a larger geography and potential implications (e.g. aging populations). Census information reviewed and shared widely across the Council and with partners so that trends and their implications are understood.	4	Medium	↔	Additional community engagement work planned in 2025/26 which might help to identify any key trends. Rushmoor Voices project report expected Q4 2024/25, results to be considered with Members with likelihood of adopting new approach in 2025/26.	2	Low	↔

Insufficient funding to proceed with projects	Karen Edwards	SC	The Council cannot commit to fund the programme of projects, within the regeneration and property programme. Failure to deliver the schemes as a result of a lack of funding and team resources will not meet the overarching strategy objective as stated in the Council Business Plan to deliver additional income or capital and regenerate our town centres. The recent increases in interest rates makes affordability of funding more challenging. In addition, build costs remain high and there are little to no incentives in the buyer's market e.g. help to buy to generate interest in development.	16	High	↔	Secured some external grant funding to assist with bridging funding gaps. A Financial Recovery Plan (FRP) has been developed to ensure that the Council can be on a sustainable footing over the medium term. A target for capital receipts has been established to assist with reducing the level of external borrowing and associated revenue implications. There will need to be sufficient headroom created to allow for further borrowing in the absence of external grant funding.	12	High	↔	Seek additional grant funding to mitigate the risk to the Council. Obtain detailed expert advice and carry out due diligence on major projects and capital commitments. Consider joint ventures and other methods of delivery in order to share the risk/reward. Continue to review financial position in order to determine capacity to support regeneration and property projects. Review opportunities for receipts in the context of income received from these assets. Expedite actions to enable disposal of identified assets. Work with members to establish priorities for commitment of available funding against regeneration programme Consider the further prioritisation, slowing and reprofiling of the programme.	4	Medium	↔
Lack of employee alignment, engagement and development will reduce organisational performance	Belinda Tam	SC	A high performing organisation requires employees to be engaged, aligned and developed – significant risk of performance targets not being achieved if these areas are not developed. Increased risk of inability to recruit and retain. Due to the age profile there is a risk of losing knowledge and experience in coming years.	12	High	↓	Developmental activities: •Annual Development Reviews May-Aug, with learning needs feeding into the corporate Learning and Development plan, and individual service L&D needs/CPD identified •eLearning platform for compliance and self-developmental training, with reminders when training due •Bespoke leadership development & leadership development with partners, ongoing internal communications via Staff Live, Viva Engage, People Portal, email, team meetings, 121s •Regular and ongoing engagement activities e.g. around savings/transformation and other priority areas. Regular review of people engagement opportunities and attract, recruit and retention policies.	12	High	↑	Review development review process and leadership development in 2025. Increased people engagement initiatives from 2025 and learning and development opportunities.	4	Medium	↔
Financial Sustainability	Peter Vickers	SC	Cost of borrowing does not track within the assumptions built into the MTFS. Resulting in additional unplanned financial pressure that will require additional mitigation to be identified.	12	High	↔	MTFS planning process identifies strategy to manage the impact of such an occurrence built into future spending plans. Updates to keep February 2024 approved MTFS have been reported to July Full Council with an update on the action plan to bring costs back to a sustainable level, including use of reserves. A mid-year review of MTFS was brought to Cabinet in November. Financial Recovery Plan has been put in place as per October. Council Delivery Plan

2025-2026

Introduction

Welcome to the Rushmoor Borough Council Delivery Plan for 2025/26.

I know that, as residents of Farnborough and Aldershot, you want a Council that puts accountability and transparency at its heart. You are rightly proud of our towns, but you want to see that reflected in your day-to-day experience of living here; having well-paid jobs, decent homes, safe and clean streets, and a vibrant, active and engaged community. You also want the Council to prioritise a new leisure centre and the regeneration of our town centres.

As the first stage of delivering on these aims, in November 2024 the Cabinet agreed the Council's priorities for 2025/26:

- Skills, Economy, and Business
- Homes for All: Quality Living, Affordable Housing
- Community and Wellbeing: Active Lives, Healthier and Stronger Communities
- Pride in Place: Clean, Safe and Vibrant Neighbourhoods
- The Future and Financial Sustainability

In addition to these priorities, we will make sure that sustainability, diversity, and inclusion are at the heart of all we do.

Over the next three years, district and county councils will be replaced by several unitary councils in Hampshire. This will help us deliver more sustainable and higher quality public services for our residents, with greater accountability and less duplication.

Meanwhile, the Council is committed to delivering for the people of Rushmoor, and to engaging widely with residents on the services you need and representation you want to see on any new authority.

As part of our commitment to accountability, you can see how the Council is performing in delivering this plan, in our quarterly monitoring reports.

Leader - Gareth Williams

Skills, Economy and Business

The Council will focus on growth and investment into Aldershot and Farnborough to drive forward the vision for our towns as a recognised destination for business and an economic hub for defence, aerospace and technology. It will meet the needs of businesses and residents by regenerating our town centres and offering more skills-based learning opportunities to deliver increased employment and careers. This means working with business, education institutions, experts and partners to help develop a skills offer and town centre transformation programme.

The Council will continue work with businesses to boost local jobs, including encouraging new companies to set up in Rushmoor, highlighting the many benefits the area has to offer, so local people can benefit from a strong local employment and economy.

Priorities

Promote access to skills, development and training so residents can be part of a thriving local economy.

Work with businesses to attract and retain jobs, through active place-making and targeting of key industries.

Promote the development of Rushmoor's towns to meet the needs of businesses and residents, partnering with experts to deliver strategic transformation of town centres and neighbourhoods.

Priorities and key activities	Outcomes and key measures of success
<p>Promote access to skills, development and training so residents can be part of a thriving local economy by:</p> <ul style="list-style-type: none"> • Delivering projects, events and engagement activities which help residents to access local training and employment opportunities. It will develop new Employment and Skills Plans with property developers to increase these opportunities, also involving local educational institutions • Working with local businesses and partners on skills needs and gaps and, with their support, developing a business-led skills offer. This will develop skills that businesses need through the Rushmoor Employment and Skills Network and Get Britain Working Plan with Hampshire County Council • Engaging with young people to encourage their aspirations and elevate career opportunities as part of our Young People's Plan. • Publishing its skills offer, careers, business support and events in an accessible and engaging way online to ensure greater awareness and take-up of opportunities and to help connect local people with businesses and educational institutions 	<ul style="list-style-type: none"> • Positive feedback on our impact on skills development, job prospects and educational opportunities • Increased involvement of businesses in training and skills development • Increased further and higher education institutions activity focused on skills development for employment

Homes for All: Quality Living, Affordable Housing

The Council knows how important it is for local people to have decent homes. It is actively engaging with social housing providers to improve their performance locally.

It will make it easier to understand how social housing is allocated and provide good quality temporary housing to those most in need. If you rent privately, the Council wants to make sure your home is well-maintained and will act where it is not.

In the longer term, the Council will progress a new Rushmoor Local Plan that maximises the delivery of new homes and use Council-owned brownfield land to provide new affordable homes.

Priorities

Improve social housing performance through more active engagement with providers.

Intervene to improve the quality of private rented sector homes in the borough which do not meet acceptable living standards.

Provide good quality temporary accommodation.

Make it easier to understand how the Council allocates social housing.

Progress a new Local Plan that maximises delivery of new homes.

Regenerate council-owned brownfield land with new and affordable homes.

Community and Wellbeing: Active Lives, Healthier and Stronger Communities

At the heart of the Council's vision is a commitment to building stronger, healthier communities by providing opportunities for exercise, wellbeing, and social connection that are easy to access. The new Farnborough Leisure Centre will be a key part of this effort, designed to bring people together in an affordable and inclusive space for fitness, swimming and recreation. The Council will honour the heritage of Aldershot Lido and offer free access to tennis.

The Council will also expand its popular programme of community and cultural events, creating opportunities for residents to connect, celebrate, and feel a sense of belonging. In partnership with local organisations, it is actively working to address health challenges, increasing and promoting more opportunities for physical activity, and improving access to mental health support, so that everyone in Rushmoor can thrive.

Central to our desire to make sure everyone has access to opportunities to exercise, swim and keep fit is the new Farnborough Leisure Centre. The Council knows it needs to be affordable and is working hard to bring this forward as soon as it can.

Priorities

Ensure all residents have access to opportunities for physical exercise including a new leisure centre in Farnborough.

Pride in Place: Clean, Safe and Vibrant Neighbourhoods

Rushmoor Borough Council wants its streets and town centres to be clean, safe and welcoming and the Cabinet has appointed a Pride in Place champion to encourage local people to get involved.

In the town centres, the we have been working closely with the police to deal with unacceptable issues of antisocial behaviour.

The Council is actively addressing fly-tipping and launched the trial of a mobile collection scheme, 'Walk this Waste', in December 2024 in Farnborough's Cherrywood ward, the area most affected by fly-tipping. This initiative allowed residents to dispose of old household items for free. In Spring 2025, the trial expanded to three more wards with significant fly-tipping issues (Rowhill, St Mark's, and Aldershot Park). The Council will review the results and decide if it moves forward with a broader rollout.

Priorities

Cleaner streets - implement initiatives to reduce fly-tipping.

Cabinet Pride in Place champion to encourage local, cleaner streets projects.

The future and financial sustainability

The Government has selected Hampshire and the Isle of Wight to be part of its Devolution Priority Programme. This means county and district councils joining together to create larger, unitary councils.

The Council believes that the best deal for residents, the sense of place, and the economic geography of the area favours a North Hampshire unitary council. It will engage with residents and businesses about the new unitary council and Rushmoor's legacy.

It also needs to make sure services and activities are affordable as well as of a good quality. The Council will be delivering against the financial recovery plan and will put in place clear ways to monitor and improves its activities.

We are committed to tackling climate change and will be implementing a more ambitious climate change action plan.

Priorities

Achieve for the best outcome for Rushmoor residents and business from Devolution and Local Government Reorganisation.

Deliver a refreshed and more ambitious Climate Change Action Plan.

Implement processes and monitoring to ensure accountability for the Delivery Plan is clear and that progress is regularly reviewed, with actions taken to manage any variances.

Achieve financial sustainability through delivery of the Financial Recovery Plan.

Ensure a culture of continuous improvement through delivery of the Corporate Peer Challenge recommendations and actions.

Equality, diversity and inclusion

The Council is committed to ensuring that it is compliant with the statutory duties under the Equality Act 2010, and in October 2024 published two new equality objectives:

- To promote the use of equality impact assessments as part of the Council's decision making, policy making, procurement, and service design to ensure inclusivity, accessibility, equal opportunities, and good relations
- To tackle the effects of poverty and deprivation, and to have a positive impact on people's daily lives through delivery of Supporting Communities Strategy projects

To reflect these objectives the Council will:

- Ensure that any engagement and consultation activities will be designed so that all groups with protected characteristics will have an opportunity to take part in a way that is accessible and inclusive for them
- Carry out equality impact assessments to identify barriers and ensure equal access to facilities, services, and programmes
- Carry out equality impact assessments for any proposed service changes arising from the Financial Recovery Plan
- Promote inclusive cultural activities that engage underrepresented and marginalised communities, ensuring that all residents can take part and benefit
- Target programmes and activities to areas and people that need them most, including our areas of deprivation
- Ensure mental health support is accessible to everyone, particularly focusing on deprived areas and minority groups, and make sure events reach a wide range of people, especially those from under-represented groups.
- Improve the quality of local social and private rented housing

The Council declared a climate emergency in Rushmoor in summer 2019, with the full support of all councillors. In doing so, councillors pledged to make the Council carbon-neutral, and Aldershot and Farnborough greener and more sustainable.

The Council wants to have a positive impact on future generations by working with businesses, communities and organisations to protect and improve Aldershot and Farnborough's environment. Through direct action and by encouraging and supporting others, we will address the challenges and opportunities presented by climate change.

The Council will deliver a refreshed and more ambitious Climate Change Strategy and action plan.

Delivery of this plan will help the environment and the move towards sustainability by:

- Making climate change impact assessments a routine part of decision making, including any proposed service changes arising from the Financial Recovery Plan
- Running campaigns to reduce fly-tipping by encouraging proper waste disposal and recycling, preventing potential pollution whilst also working to reduce the need for 'clear ups'
- The Pride in Place Champion promoting responsible waste management and increase community engagement
- Tackling antisocial behaviour, which can lead to a cleaner, safer and more sustainable environment. By reducing disruptive behaviour, vandalism, littering etc, it can help to create a more positive environment, which supports businesses and communities, and encourages local investment
- Encouraging better energy performance of housing in the social and private rented sectors, the Council will reduce carbon footprint and lower tenant energy costs
- As part of the Local Plan development, considering options for how the Council can influence more sustainable development in the borough
