**LICENSING SUB-COMMITTEE
(ALCOHOL & ENTERTAINMENTS)****OPERATIONAL SERVICES
LICENSING REPORT NO. OS 2614****DETERMINATION OF TEMPORARY EVENT NOTICES
THE SNOW GOOSE, 135 FERNHILL ROAD, FARNBOROUGH, GU14 9DX****1.0 INTRODUCTION**

- 1.1. Eight temporary event notices (TENs) have been served on the licensing authority. An objection to the notices has subsequently been received from Environmental Health. This invokes a statutory requirement to hold a hearing in order for members to consider the objection.
- 1.2. The purpose of this report is to provide details of the proposed TENs and the Environmental Health objection. The report should be read in conjunction with the Council's licensing policy, Secretary of State's guidance and information obtained at the hearing as the basis for deciding whether or not to issue a counter notice in respect of the proposed events.

2.0 BACKGROUND

- 2.1. Eight temporary event notices (TENs) have been served on the licensing authority by Kathryn Hayden who is the licence holder for The Snow Goose, 135 Fernhill Road, Farnborough, GU14 9DX. Five of the temporary event notices have since been withdrawn so this report is in respect of the remaining three, which propose temporary activities on 19th July 2026 till 20th July 2026 – reference 26/00405/LATEMP, 14th July 2026 till 16th July 2026 – reference 26/00408/LATEMP and 5th July to 7th July – reference 26/00406/LATEMP at The Snow Goose.
- 2.2. Copies of the applicable notices are given at **appendix A**. The valid TEN applications were received on 26TH May 2026. For reference, a map of the area showing the location of the premises is at **appendix B**.
- 2.3. TEN 26/00405/LATEMP proposes on the 19th July 2026 till 20th July 2026, the sale of alcohol for consumption on the premises between 22:00pm and 01:00am alongside the provision of late night refreshment between 23:00pm to 01:00am.
- 2.4. TEN 26/00408/LATEMP proposes on the 14th July 2026 22:00pm till 16th July 2026 01:00am, the sale of alcohol for consumption on the premises alongside the provision of late night refreshment between 23:00pm and 05:00am.
- 2.5. TEN 26/00406/LATEMP proposes on the 5th July 2026 22:30am till 7th July 2026 01:00am, the sale of alcohol for consumption on the premises alongside the provision of late night refreshment between 23:00pm and 05:00am.

- 2.6. No statutory limits regarding the number, size and duration of temporary events have been exceeded.
- 2.7. The premises is subject to a premises licence. A copy of this is given at **appendix C**.
- 2.8. The applications coincide with World Cup games. The government have implemented legislation which extends the hours for the sale of alcohol for consumption on the premises, and late night refreshment for premises with a licence in specific circumstances. This legislation would provide the extension to the sale of alcohol on the dates applied for with the exception of 6th & 19th July 2026, as the licence for the premises does not meet the requirements on these dates.
- 2.9. The provision of late night refreshment (provision of hot food and drinks between 23:00 and 05:00 hours) would not be covered by the blanket extension for The Snow Goose as the licence for the premises does not meet the requirements.
- 2.10. The government extension requires that all conditions of the premises licence are complied with. A TEN means that the premises licence conditions do not automatically apply, however, where appropriate the licensing sub-committee can add conditions from the premises licence to a TEN.

3.0 OBJECTION TO THE TEMPORARY EVENT NOTICE

- 3.1. Following receipt of the TENs, Environmental Health served an objection notice on the licensing authority for the TEN applications. The licensing authority received the objection(s) on the 27th May 2026.
- 3.2. Environmental Health may only serve such an objection notice where satisfied that allowing the premises to be used in accordance with a TEN would undermine the licensing objectives. A copy of the objection notice giving reasons why Environmental Health believe this to be the case is given at **appendix D**.
- 3.3. The applicant has in withdrawing some of the applications, provided response to the objection, a copy of this correspondence is given at **appendix E**.

4.0 DETERMINATION PROCESS & OPTIONS

- 4.1. The licensing authority is required to consider the Environmental Health objection notice and take one of the following steps in respect of the TEN applications:-
 - a) Where it considers it appropriate for the promotion of the licensing objectives, give the premises user a counter notice (effectively stopping the proposed temporary event's), giving reasons for its decision; or

- b) Where it considers it appropriate for the promotion of the licensing objectives, to allow the temporary event's to go ahead, subject to some or all of the conditions of the premises licence, giving reasons for its decision; or
- c) Where it decides not to give a counter notice or apply the conditions of licence (effectively allowing the event to go ahead in accordance with the notice), give the premises user and Environmental Health notice of and reasons for its decision.

4.2 In consideration of this matter, the licensing authority should have regard to its statement of licensing policy and any guidance issued by the Secretary of State. Details of the parts of the policy and guidance that may be relevant to this matter are given in **appendix F**.

5.0 DETERMINATION

5.1. The Sub-Committee is asked to consider the Environmental Health objection notice for the TEN applications and take one of the steps outlined above having regard to:-

- a) the contents of this report;
- b) any additional information obtained from the hearing;
- c) the licensing policy;
- d) guidance issued by the Secretary of State; and
- e) the promotion of the licensing objectives.

THE SNOW GOOSE, 135 FERNHILL ROAD, FARNBOROUGH, GU14 9DX**

Subject: The Snow Goose - TENS

Dear Licensing Authority

On behalf of the responsible Authority for the Prevention of Public Nuisance we wish to raise objections to the following TENS:

26/00408/LATEMP

26/00407/LATEMP

26/00406/LATEMP

26/00405/LATEMP

26/00404/LATEMP

26/00403/LATEMP

26/00402/LATEMP

26/00400/LATEMP

We would wish the applicant to comply with the conditions of the Premises Licences granted to the business.

It is our view that it would be contrary to the licensing objectives to permit TENS activities over and above the limitations imposed by the Premises Licence, given that the premises is surrounded by residential premises sensitive to the potential for public noise nuisance. We seek the following Premises Licence Conditions to be attached to each TEN :

- (1) All garden / external drinking areas shall be closed for licensable activities and the consumption of food and drink (including alcohol) after 22:00 on any day. Existing patrons shall be asked to leave the area quietly.
- (2)
 - (i) No music or speech shall be relayed via external speaker / amplification systems other than for events with the prior approval of the licensing authority.
 - (ii) Except in approved circumstances, all speakers and similar amplification equipment shall be kept within the premises and shall not be positioned near to or facing openings such as doors and windows.

- (iii) All speakers and similar amplification equipment shall be mounted on suitable anti-vibration mountings.
- (3)
 - (i) The licence holder or nominated representative(s) shall carry out a regular noise assessment of the area adjacent to the premises.
 - (iv) Noise assessments shall take place on all sides of the premises at the boundary of the nearest residential premises, and if audible, steps shall be taken to reduce noise from the premises to a level where noise is no longer audible at the monitoring points.
 - (v) As a minimum, noise assessments shall be undertaken at hourly intervals starting from 22:00pm.
 - (vi) Written records of these assessments and any remedial action taken should be kept and made available to either the local authority or the Licensing Authority when requested.
- (4)
 - (i) A suitable noise complaints procedure must be established and in operation at the premises (e.g. all staff must be familiar with the complaints procedure and any complaint(s) made in respect of the premises, its customers, staff and/or the activities carried on there must be investigated and remedied as soon as, and, so far as is reasonably practicable to prevent public nuisance).
 - (ii) Suitable written records (e.g. the nature of any complaint(s), action(s) taken in response, the date(s) and time(s) when any complaint was made, together with the name of the person(s) who handled the complaint) must be kept and made available to officers of Rushmoor Borough Council on request.

In respect of the “music or speech shall be relayed via external speaker / amplification systems”, we would request that the Licensing Authority do not grant permission for this to take place after 10pm.

Hi Rachel,

Thank you for getting back to me so promptly regarding the TENS applications and the objections raised.

After much consideration and as mentioned on the phone, I have decided and think it best to withdraw all of the TENS applications apart from those relating to the semi-final and final matches. I also thank you for processing the others for consideration, regardless of the objection. The conditions returned are nothing different to what I currently follow so keeping them seems pointless.

Given the significance of these occasions for our national team and sport, and considering the achievement of reaching the semi-final and potentially even the final, although I remain somewhat skeptical! I feel it is worth trying.

As most games kick off at 20:00, I would only require a short extension under the TENS, given the start times and expected match durations.

Football really does bring people together, and I want to reassure EHO, you and all concerned parties that, as always, once the match has finished, I will actively manage customers and move them inside as soon as possible after the final whistle to minimise noise and disturbance for nearby residents. This is something I always take seriously out of respect for my neighbours and the local community.

I fully respect Environmental Health and the important role they play in balancing the needs of businesses and local residents. I also appreciate that objections appear to have been raised more broadly regarding the use of outside spaces after 22:00. Therefore, I don't feel this is directed specifically at my application and assume all other pubs will receive the same objections. That said, these could potentially be two huge national occasions, so I feel it is worth making the case.

With that in mind, could you please advise what the next steps would be?

Thank you again for all your help with this.

Kind regards,

Hello Rachael,

Hope you had a great weekend.

I know I'm a pain, but I may have been a little hasty cancelling some of the tens.

I re-read the email and am realising for example with a potential 1am kick off for an England game I had a TEN for the 5th-6th at 4am. Can I keep this one adhering to the terms of EHO. Following their recommendations? Obviously all being inside.

Kind regards

Kate Hayden
