RUSHMOOR BOROUGH COUNCIL

LICENSING ACT 2003

Application for a New Premises Licence

Decision Record

APPLICANT:	Artisan Spoon Ltd
PREMISES:	Little Dessert Shop, 17a Union Street, Aldershot, GU11 1EP
DATE OF HEARING:	3rd November, 2026
MEMBERS SITTING:	Cllrs Craig Card (Chair), Sue Carter and Lisa Greenway

DECISION

To grant the application for the licence, subject to:

- The mandatory conditions imposed by the Licensing Act, 2003;
- The conditions set out in the application; and
- The following additional conditions;

    - The last orders for hot food and drink shall be taken 15 minutes before the terminable hour for licensable activities, whether ordered in person or remotely.

        - Suitable signage shall be displayed in the premises to this effect.

    - No alcohol shall be consumed in the premises.

The Sub-Committee was of the view that these steps were, on the balance of probabilities, necessary for the promotion of the licensing objectives.

REASONS

1. In coming to its decision, the Sub-Committee has taken into account:

    - The Licensing Act Section 18, which states that, having regard to the application and any relevant representations, the Sub-Committee must take such of the steps available to it as it considers necessary for the promotion of the licensing objectives;

    - The Secretary of State's Guidance issued under section 182 of the Licensing Act 2003, particularly paragraphs 9.3 to 9.9 when the Sub-Committee considered the relevance of representations and paragraph 1.17 which stated that a licensee was not responsible for behaviour beyond the vicinity of his / her premises;

    - The Council's Statement of Licensing Policy and;

    - Written and oral evidence presented at the hearing.

2. The Sub-Committee noted that the individual who had made a representation opposing the grant of a licence did not attend the hearing and had not engaged with the licensing officers since making the representations. The sub-committee recognised the concerns raised were relevant to the licensing objectives, however they were not any incidents of actual antisocial behaviour which had been reported. Nor did the representation

indicate that operation of the premises in accordance with the terms of a licence would be encourage anti-social behaviour.

3. Whilst the premises had operated without a licence, the Council's investigation into this was ongoing and would be escalated as appropriate within the Council's policies and scheme of delegation. The operator had now made an application for the licence so that they could become compliant and regularise their activities.

4. The Responsible Authorities had been notified of the application and had made no representations.

5. The applicant had accepted recommendations by the environmental health service in respect of prevention of noise nuisance, limiting the hours of operation and accepting conditions in respect of limiting noise during licensable hours.

6. The Sub-Committee heard that conditions in respect of last orders and the consumption of alcohol on the premises would promote the licensing objectives and would assist with compliance with licensable activities.

7. The Sub-Committee heard that the owner had taken steps to prevent further sales outside of licensable hours whilst the application was being determined. The sub-committee had confidence that the premises would be able to operate within the conditions of the licence.

Right of Appeal

8. This decision can be appealed by application to the to the Magistrates Court within the period of 21 days beginning on the day upon which the appellant is notified of the decision. This decision does not take effect until the end of the appeal period or, in the event that an appeal has been lodged, until the appeal is dispensed with.
