**DETERMINATION OF AN APPLICATION FOR
VARIATION OF A PREMISES LICENCE**

400 HIGH STREET, ALDERSHOT, HAMPSHIRE GU12 4NE

1.0 INTRODUCTION

- 1.1. This report concerns an application to vary a premises licence made under section 34 of the Licensing Act 2003 (the 'Act'). Representations have been received in respect of the application and invoke a statutory requirement to hold a hearing with members.
- 1.2. The report provides details of, and background to the application, and should be read in conjunction with the Council's licensing policy and Secretary of State's guidance. This, together with information obtained at the hearing should be used to determine the application.

2.0 BACKGROUND

- 2.1. An application for variation of an existing premises licence was submitted on 6th March 2018 by Motor Fuel Limited, in respect of the premises.
- 2.2. A map of the area showing the general location of the premises is given at **appendix A**.

2.3. Existing premises licence

- 2.4. The application requests the variation of the existing premises licence 17/00976/LAPRET, transferred on 15th December 2017. The original premises licence was granted on the 24th November 2005.

- 2.5. A copy of the premises licence is given as **appendix B**.

2.5. Nature of the application

- 2.6. The application seeks to amend the permitted hours for the sale of alcohol to 24 hours on any day and the provision of late night refreshment from 23:00pm to 05:00am on any day. The application also seeks to amend conditions on the premises licence.

- 2.7. A copy of the application form is given at **appendix C**.

2.6. Advertising of the application

- 2.7. I can confirm that each responsible authority (as specified in the Act) has received a copy of the application. I can also confirm that the application was advertised by the applicant in accordance with the requirements of the legislation both at the premises and in a suitable newspaper. The last date for representations was given as the 3rd April 2018.

3.0 APPLICATION AMENDMENTS

3.5. Environmental Health

- 3.6. The applicant has agreed to a number of amendments to the operating schedule of the application in the form of conditions. These changes were made in negotiation with Environmental Health and are set out in the correspondence given at **appendix D**.

4.0 REPRESENTATIONS

- 4.5. Five representations by way of an objection were received in respect of this variation application. Three of the representations made were by responsible authorities, namely, Hampshire Constabulary, The Licensing Authority and Trading Standards. A copy of each representation is given at **appendix E, F and G**.

- 4.6. Two representations were made by members of the public. A copy of each representation is given at **appendix H and I**.

4.7. Relevance of Representation(s)

- 4.8. To be eligible to be considered, the Act requires a(ny) representation(s) to be '*relevant*'. A '*relevant representation*' is one that has been made by a responsible authority or any other person within the prescribed period permitted. Similarly, representations must not be frivolous or vexatious and must be about the likely effect of the grant of the licence on the promotion of the licensing objectives.

- 4.9. The licensing objectives are defined in the Act and include -

- (a) the prevention of crime and disorder;
- (b) ensuring public safety;
- (c) the prevention of public nuisance; and
- (d) the protection of children from harm.

4.10. Relevance of representations

- 4.11. Against the above criteria the representations are considered to be relevant as they were submitted within the prescribed period and concern three of the licensing objectives; namely the prevention of crime and disorder, protection of children from harm and public nuisance.

5.0 DATA PROTECTION ISSUES

- 5.5. As a public document, any personal details, including addresses, contact details and/or signatures submitted on any application, representation or other document contained in this report have been redacted in accordance with data protection requirements.

6.0 DETERMINATION

- 6.5. Further to the receipt of relevant representations and, in accordance with the Act and the Council's scheme of delegation, the Sub-Committee is asked to determine the application.

7.0 RELEVANT CONSIDERATIONS

7.5. Licensing Objectives

- 7.6. In determination of the application, the licensing authority must have regard to the promotion of the licensing objectives. These are set out at paragraph 4.9 above.

7.7. Licensing policy & S182 Guidance

- 7.8. The licensing authority must also have regard to its statement of licensing policy and any guidance issued by the Secretary of State under section 182 of the Act. Details of the parts of the policy and guidance that may be relevant to this application are given in **appendix J** to this report.

8.0 OPTIONS

- 8.5. In determining this application, the Sub-Committee may take any of the following steps as it considers appropriate for the promotion of the licensing objectives; namely -

- (a) to vary the licence as applied for*; or
- (b) to modify the conditions of the licence, or
- (c) to reject the whole or part of the application.

** Subject to any relevant mandatory conditions (as shown on Annex 1 of the premises licence), amendments agreed by the applicant and/or such other conditions that are consistent with the operating schedule which, with the exception of mandatory conditions, may be modified[†] to such extent as may be appropriate to promote the licensing objectives.*

† Modifications may include the alteration or omission of a condition or the addition of any new condition(s).

4) The protection of children from harm [X]

Please state the grounds for review which must be based on one or more of the licensing objectives together with supporting information:
The Chief Officer of Hampshire Constabulary would officially like to object to this variation, specifically the removal of condition 17, all alcohol sales to be authorised by a Personal Licence Holder, on the above grounds for the following reasons.
The premises has failed three test purchases where alcohol has been sold to persons under the age of 18, this culminated in a condition requiring all Alcohol sales to be made by a Personal licence Holder.
The premises licence was transferred in December 2017 with those conditions on the Licence and the new Licence holder is seeking to remove them as part of a variation. With this in mind PC Ladhams attended the premises along with Principal Licensing Officer Shelley Bowman on 13th March 2018 to have a look at how the venue was now running. During the visit a number of non compliance issues were discovered, Staff training records were not available for inspection and the refusals log was not being completed correctly, it was so poor that despite showing us a letter indicating that they had passed a recent Test Purchase, it was impossible to tell if the refusal had been recorded or not as there were no dates in the book, this had been identified by someone with a red pen who had written over the pages in areas that required improvement.
This leaves the Chief Officer of Hampshire Constabulary with little confidence in the management of the premises and surprised that records were in such a state considering this application had been submitted.
A future application following a demonstration of compliance with other conditions on the licence may be looked upon more favourably by hampshire Constabulary who have no objections to the variations requested.

Dear Sir,

LICENSING ACT 2003

Representation in respect of an application to vary a premises licence
Shell Aldershot 400 High Street, Aldershot, Hampshire, GU12 4NE.

Individual making representations:

My name is Shelley Marie Bowman and I am employed as Principal Licensing Officer for Rushmoor Borough Council. I have been employed in this capacity for approximately 8 years, and prior to this as a Licensing Officer for approximately 3 years. I hold a Certificate of Higher Education in Licensing Law, a BIIAB National Certificate for Personal Licence holders, a BIIAB National Certificate for Licensing Practitioners and a BIIAB National Certificate for Licensing Practitioners (Gambling).

Capacity and authority of individual making representations:

I am making this representation in the capacity and embodiment of a responsible authority as defined in Section 13(4) of the Licensing Act 2003 (as amended by Section 103 of the Police Reform & Social Responsibility Act 2011). For this purpose, and as outlined above, I represent the relevant licensing authority in whose area the above named premises are situated.

Relevance of representations:

As a responsible authority, I am making this representation in accordance with the procedure for variation of a premises licence detailed in Section 35 of the Licensing Act 2003. I am also making this representation at this time and in respect of the above named premises as it is my opinion that steps are necessary to promote the licensing objective to ensure the prevention of crime and disorder, and the protection of children from harm. The grounds for this opinion are outlined below.

Nature and grounds of representation:

I have no objection to the request for the premises to be licensed to sell alcohol 24 hours, subject to a condition, which has been agreed with the applicant (see appendix 1) as follows, which promotes the licensing objective the prevention of crime and disorder:

- (i) All points of customer access and egress to the premises shall be closed and kept closed (except in an emergency) between the hours of 23:00 and 05:30am on any day.
- (ii) Any sales made during these hours shall be made through a suitable night service hatch.

The application also seeks to remove condition 17 of Annex 2 of the premises licence, which is a requirement for all sales of alcohol to be personally authorised by a personal licence holder. This condition was added on minor variation, in negotiation with the responsible authorities as a result of failed test purchases at the store. Despite the premises licence being transferred and a new DPS being specified in December 2017, I believe that this condition is still necessary to promote the licensing objectives the protection of children from harm and the prevention of crime and disorder at the store, for the reasons outlined below.

The premises concerned have failed 3 test purchases, whereby they sold alcohol to a child (aged 16 years) between July 2016 and June 2017. Prior to this, they also failed a Challenge 25 test purchase, whereby they failed to ask for identification of someone who looked under the age of 25 when purchasing alcohol.

Following the transfer and change of DPS at the store, on 13th March 2018, I carried out a routine licence inspection jointly with PC Ladhams, of Hampshire Constabulary Licensing. At this time, we met with the DPS of the premises. During this visit, there were a number of issues of non-compliance with the conditions of the premises licence identified. In particular, these related to conditions in respect of underage sales. The refusals log at the premises was not being completed and checked correctly, and the training records were not available as required by the licence conditions. A copy of the report of visit left at the store is attached as appendix 2.

This leads me to have little confidence in the management of the premises. Furthermore, where a premises has failed a number of test purchases, and has therefore been a premises whereby underage children are able to obtain alcohol illegally, generally that premises will have a reputation amongst those that are underage, and wishing to purchase alcohol and will therefore be targeted by them. It is likely to take some time, and a number of refusals to serve alcohol underage at the store for this reputation to change. This coupled with a lack of confidence in the management of the premises, leads me to believe that it still remains necessary for all sales of alcohol to be personally authorised by a personal licence holder, until such time as the new owners

and manager can demonstrate that they are able to comply with all of the other, less onerous requirements in respect of undorage sales, and that they can pass further test purchases.

Summary of recommended steps / conditions / actions to be taken:

In summary, I feel that the request to remove Condition (17) of Annex 2 of the licence should be refused in order to promote the licensing objectives the protection of children from harm and the prevention of crime and disorder, for the reasons given above.

I feel that the granting of the application to amend the permitted hours for the sale of alcohol with the addition of the following condition to the licence will ensure promotion of the licensing objectives:

- (i) All points of customer access and egress to the premises shall be closed and kept closed (except in an emergency) between the hours of 23:00 and 05:30am on any day.
- (ii) Any sales made during these hours shall be made through a suitable night service hatch.

Supporting documents and references:

In support of this representation and in support of the recommended steps outlined above, I would make reference to the following extracts of the relevant guidance documents:

This application to review relates to the following licensing objective(s)

- 1) the prevention of crime and disorder X
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm X

This premises failed three test purchases between July 2016 and June 2017. The current owner Motor Fuel Group applied to transfer the premise licence on 15 December 2017. A number of previous staff remained.

HCC Trading Standards Service (HCCTSS) advised Motor Fuel Group that there were a number of stringent conditions attached to the premise licence, particularly that all alcohol sales must be personally authorised by a personal licence holder.

On 19 December 2017 HCCTSS emailed Motor Fuel Group – "After a year of trading with no test purchase failures we would be happy to consider a minor variation to vary conditions on the premise licence, in consultation with Hampshire Constabulary and Rushmoor Borough Council.

HCCTSS were therefore somewhat surprised to see this variation application.

Therefore Hampshire County Council Trading Standards Service would like all the current conditions to remain on the premise licence.

Regarding the increase in hours to sell alcohol 24 hours a day. The sub-committee may wish to see a period of time where there are no test purchase failures. Clearly the only enforcement agencies authorized (the police and Trading Standards) to carry out test purchases would not do so between 23.00 hours and 05.00 hours. If the sub-committee agree to 24 hour alcohol sales, HCCTSS would ask that all alcohol sales be made through a night-hatch between 23.00 hours and 05.00 hours.

Shell Service Station, 400 High Street, Aldershot, Hampshire, GU12 4NE
Application for the variation of a Premises Licence under the Licensing Act 2003.

26th March 2018

Dear Aimee Vossler,

I received your letter dated 6th March 2018. Chris Jones, Planning Officer has visited the site, and should have furnished you with his initial response. For ease of reference, when the Service Station was opened, after being granted permission from RBC under 99/00101/PUL the hours of opening for the service station were, and still remain as:

Monday to Sunday (BDI) 0600 to 2300 hrs daily

The ancillary machines to the garage, a car wash and jet wash were granted permission to operate as follows:

Monday to Saturday 0800 to 2000 hours daily
Sundays and Public holidays 1000 hours to 1800 hours.

No variations in the hours of opening or operating time of the ancillary units have ever been sought. The planning implications as highlighted by Chris Jones have hopefully, been submitted to you. This variation would now allow alcohol sales 24 hours a day, and late night refreshment between 2300 and 0500 hrs daily, this refreshment would be consumed within the kiosk on site, this is for hot drinks only. Alcohol sales can only be consumed off the premises?

I and my wife object to the application, which will now see the service station open 24 hours a day, 365 days a year.

There are two very popular public houses close by, the Red Lion and the Golden Lion. When these pubs close at night, noisy scenes are common place in the area, with alcohol on sale 24 hours from the service station, there will be problems in our residential areas. Rubbish is a common problem on the streets from the service station. It is not at all common for gardens to be used as public conveniences.

There is no mention as to how the site will be controlled; security staff will be required on site, who will control the site after 0500 every morning.
