

## **LICENSING ACT 2003**

### **Application for the variation of a Premises Licence Decision Record**

**APPLICANT:** Mr Rob Prince

**PREMISES:** Rushmoor Community Stadium,  
Farnborough Football Club, Cherrywood  
Road, Farnborough

**DATE OF HEARING:** 9th November, 2018

**MEMBERS SITTING:** Cllrs Liz Corps, A.H. Crawford and  
Jacqui Vosper (Chairman)

## **DECISION**

To grant the variation, as amended by agreement, subject to:

- The mandatory conditions imposed by the Licensing Act, 2003.

The variation to the premises licence shall take effect immediately.

The Sub-Committee was satisfied, on a balance of probabilities, that these steps were appropriate for the promotion of the licensing objectives of the prevention of public nuisance.

## **REASONS**

In coming to its decision, the Sub-Committee took into account:

- The Licensing Act Section 35, which states that, having regard to relevant representations that are made, the Sub-Committee must take such steps it considers appropriate for the promotion of the licensing objectives;
- The Secretary of State's Guidance issued under section 182 of the Licensing Act 2003, particularly paragraph 9.44;
- The Council's Statement of Licensing Policy 2010 – 11;
- The written report including all written representations; and
- Oral evidence presented at the hearing.

The Sub-Committee heard representations from the Licensing Authority and the applicant. The Interested Party did not attend the hearing but their written representations were considered by the Sub-Committee. All of the parties and the Sub-Committee had the opportunity to ask questions of all the other parties.

The Sub-Committee considered that the joyriding was not linked to the use of the premises and heard that the Football Club had also raised concerns about the use of the car park when the premises were not open. These concerns would be addressed by the installation of gates.

Furthermore, no complaints about noise had been received by the Council.
