Strategic Housing and Local Plan Group - Update

The Strategic Housing and Local Plan Group allows back bench members, to help shape planning and housing strategy and policy in discussion with the Portfolio Holder for Economy, Planning and Strategic Housing and the Chairman of Development Management Committee. The engagement of these leading members is vital to ensure that proposals are aligned with the Council's overall plans and can achieve support. The group enables exchange of information, debate and consultation on national and local strategic planning and housing policy with the Head of Planning, Economy and Strategic Housing and the Corporate Planning Manager and other, specialist officers. The extent of the work and its time requirements particularly during the development of the Local Plan means that a separate group solely focused on these matters is essential.

The last meeting was held on 19th of July and included an update on First Homes, the discussion of a draft Cabinet Report relating to the second phase on the Conservation Area Review Programme and four draft Conservation Area Appraisals for comment. The Group will next be meeting on 13th September where they will discuss the Housing and Homelessness Strategy, emerging Green Infrastructure Strategy, the potential to introduce a new Article 4 direction revoking a specific permitted development right and a government consultation on permitted development rights.

The following provides an indicative forward programme for the group up until the end of the financial year. Assumptions have been made in relation to when key bits of legislation will be enacted:

December 2021

- Housing Strategy (2022-2027) - proposed approach
- Draft Green Infrastructure Strategy
- Briefing on Environment Bill and any implications
- Interim Biodiversity Guidance
- Consultation responses received on the draft Conservation Area Appraisals

March 2022:

- Draft Housing Strategy (2022-27)
- Planning Bill Implications
- Local Plan Review / Design Codes
- Playing Pitch Strategy
- Feedback received during consultation on the Green Infrastructure Strategy
