

Planning Applications

1. Introduction

- 1.1 This report considers recent planning applications submitted to the Council, as the Local Planning Authority, for determination.

2. Sections In The Report

- 2.1 The report is divided into a number of sections:

Section A – FUTURE Items for Committee

Applications that have either been submitted some time ago but are still not ready for consideration or are recently received applications that have been received too early to be considered by Committee. The background papers for all the applications are the application details contained in the Part 1 Planning Register.

Section B – For the NOTING of any Petitions

Section C – Items for DETERMINATION

These applications are on the Agenda for a decision to be made. Each item contains a full description of the proposed development, details of the consultations undertaken and a summary of the responses received, an assessment of the proposal against current policy, a commentary and concludes with a recommendation. A short presentation with slides will be made to Committee.

Section D – Applications ALREADY DETERMINED under the Council's adopted scheme of Delegation

This lists planning applications that have already been determined by the Head of Economy, Planning and Strategic Housing, and where necessary with the Chairman, under the Scheme of Delegation that was approved by the Development Management Committee on 17 November 2004. These applications are not for decision and are FOR INFORMATION only.

- 2.2 All information, advice and recommendations contained in this report are understood to be correct at the time of publication. Any change in circumstances will be verbally updated at the Committee meeting. Where a recommendation is either altered or substantially amended between preparing the report and the Committee meeting, a separate sheet will be circulated at

the meeting to assist Members in following the modifications proposed. This sheet will be available to members of the public.

3. Planning Policy

3.1 Section 38(6) of the Town and Country Planning Act 1990 (as amended) requires regard to be had to the provisions of the development plan in the determination of planning applications. The development plan for Rushmoor comprises the Rushmoor Local Plan (February 2019), the Hampshire Minerals and Waste Plan (October 2013) and saved Policy NRM6 of the South East Plan.

3.2 Although not necessarily specifically referred to in the Committee report, the relevant development plan will have been used as a background document and the relevant policies taken into account in the preparation of the report on each item. Where a development does not accord with the development plan and it is proposed to recommend that planning permission be granted, the application will be advertised as a departure and this will be highlighted in the Committee report.

4. Human Rights

4.1 The Human Rights Act 1998 (the Act) has incorporated part of the European Convention on Human Rights into English law. All planning applications are assessed to make sure that the subsequent determination of the development proposal is compatible with the Act. If there is a potential conflict, this will be highlighted in the report on the relevant item.

5. Equalities Act

5.1 The Equality Act 2010 requires local authorities to comply with the Public Sector Equality Duty. Taking into account all known factors and considerations, the requirement to consider, and have due regard to, the needs of diverse groups to eliminate discrimination, advance equality of opportunity and access, and foster good relations between different groups in the community. All planning applications are assessed to make sure that the subsequent determination of the development proposal is compatible with the Act. If there is a potential conflict, this will be highlighted in the report on the relevant item.

6. Public Speaking

6.1 The Committee has agreed a scheme for the public to speak on cases due to be determined at the meeting (Planning Services report PLN0327 refers). Members of the public wishing to speak must have contacted the Meeting Coordinator in Democratic Services by 5pm on the Tuesday immediately preceding the Committee meeting. It is **not** possible to arrange to speak to the Committee at the Committee meeting itself.

7. Late Representations

7.1 The Council has adopted the following procedures with respect to the receipt of late representations on planning applications (Planning report PLN 0113 refers):

- a) All properly made representations received **before** the expiry of the final closing date for comment will be summarised in the Committee report. Where such representations are received after the agenda has been published, the receipt of such representations will be reported orally and the contents summarised on the amendment sheet that is circulated at the Committee meeting. Where the final closing date for comment falls **after** the date of the Committee meeting, this will be highlighted in the report and the recommendation caveated accordingly.
- b) Representations from both applicants and others made **after** the expiry of the final closing date for comment and received **after** the report has been published will not be accepted unless they raise a new material consideration which has not been taken into account in the preparation of the report or draws attention to an error in the report.
- c) Representations that are sent to Members should not be accepted or allowed to influence Members in the determination of any planning application unless those representations have first been submitted to the Council in the proper manner (but see (b) above).
- d) Copies of individual representations will not be circulated to members but where the requisite number of copies are provided, copies of individual representation will be placed in Members' pigeonholes.
- e) All letters of representation will be made readily available in the Committee room an hour before the Committee meeting.

8. Financial Implications

8.1 There are no direct financial implications arising from this report. However, in the event of an appeal, further resources will be put towards defending the Council's decision. Rarely, and in certain circumstances, decisions on planning applications may result in the Council facing an application for costs arising from a planning appeal. Officers will aim to alert Members where this may be likely and provide appropriate advice in such circumstances.
