Grounds for review:

We have grounds to believe the license holder has failed to meet the licensing objectives of prevention of crime and disorder, as illegal working has been identified at this premises.

Section 36 and Schedule 4 of the Immigration Act 2016 (the 2016 Act) amended the Licensing Act 2003 (the 2003 Act) to introduce immigration safeguards in respect of licensing applications made in England and Wales on or after 6 April 2017. The intention is to prevent illegal working in premises licensed for the sale of alcohol or late-night refreshment.

The Home Secretary (in practice Home Office (Immigration Enforcement)) was added to the list of Responsible Authorities (RA) in the licensing regime, which requires Home Office (Immigration Enforcement) to receive premises licence applications (except regulated entertainment only licences and applications to vary a Designated Premises Supervisor (DPS)), and in some limited circumstances personal licence applications. In carrying out the role of responsible authority, Home Office (Immigration Enforcement) is permitted to make relevant representations and objections to the grant of a licence or request a review of an existing licence as a responsible authority where there is concern that a licence and related licensable activity is prejudicial to the prevention of immigration crime including illegal working.

Enforcement Visit: 10 May 2019

Upon entering the premises at 21:17hrs, immigration officers encountered the following individuals.

██████████ – Worker

██████████ was encountered in the kitchen where he was laying down.

During the illegal working interview, ██████████ stated he had been working at the premises for one week. His duties included making naan bread, and he worked on Thursdays, Fridays, and Saturdays. He explained that he was currently in a training period and expected to be paid in cash once training was complete. When asked who gave him the job, ██████████ said it was his friend. His schedule is arranged by his manager. With regards to pre – employment checks, he confirmed that they did not take place as he did not have any documents to show, prior to being offered the job. ██████████ admitted he had not told his employer that he is not allowed to work in the UK. He also confirmed that other people also work at the premises but did not provide further details.

Home Office checks showed that ██████████ entered the UK illegally in September 2015 by lorry. However, no attempts to regularise his stay were made. ██████████ has never held the right to work in the UK.

██████████ – Worker

██████████ displayed an adverse reaction upon officers entering the premises. He attempted to escape and had hidden in the fridge.

During the illegal working interview, officers questioned as to why he displayed such an adverse reaction – to which he stated he was scared due to the noise from the doors. ██████████ claimed that he was not working at the premises and had only come to open his fast. He repeatedly denied having any job role or duties which he gets paid for, explaining that he had simply washed dishes related to the fasting meal. He confirmed to know ██████████ who does deliveries and claimed that ██████████ had invited him to open his fast. Despite claiming that he has no association with the premises, ██████████ confirmed that that he occasionally visits the premises every few days and currently lives with the boss, ██████████.

Home Office checks showed that ██████████ illegally entered the country as a clandestine, by means of a lorry in January 2016. He made a claim for protection in January 2016 which was refused in June 2018. However, he appealed the refusal of his claim, and the appeal process was ongoing at the time of the enforcement visit. ██████████ was working in breach of bail conditions as they did not permit him the right to work.

██████████ – Worker

██████████ was encountered by officers as he was seen exiting the premises upon arrival.

During the illegal working interview ██████████ confirmed that he had been working at the premises for a week with his tasks consisting of "cleaning a little bit". He works Friday to Saturday for four hours. ██████████ repeatedly states that he comes to the premises with his uncle, and that nobody formally assigns him tasks – he just cleans the premises based on his own judgement. He denied working at the premises despite occasionally receiving food, which is initially given to his uncle and then passed on to him.

Home Office checks showed that ██████████ entered the country through a student visa which was valid from November 2009 until April 2011. His student leave was extended until April 2015, though this was eventually curtailed to expire in February 2015. He applied for leave to remain which was refused in July 2015. In June 2018, he made a claim for protection which was ongoing at the time of the enforcement visit. ██████████ was working in breach of conditions as his conditions did not permit him the right to work.

██████████ – Worker

██████████ was encountered at the rear end of the premises.

During the illegal working interview, ██████████ stated that he lives upstairs at the premises. When asked if he was working at the premises, ██████████ denied it. When asked what he was doing in the outside area, he stated that he was praying with others and had brought food for breaking the fast. He stated he knows one manager at the premises, named ██████████

██████████ confirmed receiving food and money for rent from his cousin. Yet, he continuously denied helping at the premises in exchange for food or money and stated the accommodation upstairs is not part of any employment arrangement. When asked why he had money in a money bag, loose change in his pocket, and notes not stored in his wallet, he explained that he has no place in his wallet to keep change.

Home Office checks showed that ██████████ entered the country through a student visa, valid from 11 November 2007 until October 2011. He was granted leave to remain until April 2015, though this was later curtailed to expire in March 2015. He submitted multiple applications for leave to remain which had been rejected/refused and had later made a claim for protection which was also refused in February 2017. Therefore, ██████████ was an overstayer who did not hold the right to work.

Ghulam Husain NEAZY – Employer

During the illegal working interview, Ghulam Husain NEAZY stated that he is the manager of the business operating under the name "Pizza Go Go and Kebabish". He confirmed he has been working at the premises for more than two years.

Regarding [REDACTED], NEAZY stated that he did not know who employed him but believed it may have been the boss. He confirmed [REDACTED] had been training for a week and had started three days ago, working a couple of hours. NEAZY explained that he supervises [REDACTED] confirming that his role includes washing and making naans. He stated that [REDACTED] had not been paid yet and that payment would be discussed once the boss, [REDACTED] had returned. NEAZY confirmed that [REDACTED] receives food during training. He confirmed that pre – employment checks were not conducted as there were no documents before [REDACTED] started training. Though he claimed that [REDACTED] said that he will provide them once the boss returns.

Enforcement Visit : 30 April 2025

Upon entering the premises at 22:03hrs, immigration officers encountered the following individual,

██████████ – Worker

██████████ was encountered working behind the counter. He displayed an adverse reaction as he attempted to remove his apron and escape from the premises.

During the illegal working interview, ██████████ confirmed working at the premises since January 2025, with his role consisting of cooking and taking orders. He worked three days a week and would do so for six to seven hours on his working days. He receives £350 per week through bank transfer and cash in hand payments. ██████████ stated that the 'ex – manager' had given him this job. With regards to pre - employment checks, ██████████ confirmed that they did not take place as he did not present his employer with any documents. Additionally, immigration officers located a "Level 2 Food Hygiene and Safety for Catering" certificate which was issued to ██████████ on 29 January 2025.

Home Office checks showed that ██████████ entered the United Kingdom on 30 May 2022 and was granted entry until 28 November 2022 as a seasonal worker. He submitted a claim for protection in August 2022, which was withdrawn in September 2024 due to non – compliance. ██████████ was working in breach of bail as his conditions did not permit him to work in the United Kingdom.

██████████ encountered in uniform

Additional Concerns

During the enforcement visit which took place on 30 April 2025, immigration officers also raised that a copy of the premises licence was not displayed at the premises. According to the [Premises licence \(England and Wales\)](#) guidance – which can easily be found on the GOV.UK website – a premises licence summary should be displayed in a visible area.

Officers also highlighted the absence of required signage instructing patrons to leave the premises quietly. In accordance with Annex 2, Paragraph 2 of the premises licence conditions: "Prominent, clear and legible notices shall be suitably located on all exit doors of the licensed premises requesting patrons and staff to respect the needs of local residents and to leave the premises and area quietly."

Reasons for Review

Section 36 and Schedule 4 of the Immigration Act 2016 amended the Licensing Act 2003 to introduce immigration safeguards in respect of licensing applications made in England and Wales on or after 06 April 2017. The intention is to prevent illegal working in premises licensed for the sale of alcohol or late-night refreshment.

Five illegal workers were encountered at the premises on two different occasions: four on the first occasion and one on the second occasion. On the visit which took place on 10 May 2019, Ghulam Husain NEAZY (manager at the time and current company director) directly confirmed that he did not conduct pre – employment checks for one of the workers. NEAZY claimed that there were no documents to conduct checks on the individuals. NEAZY could've prevent illegal working by simply not offering work to any individuals prior to conducting the right to work checks. Secondly, choosing to wait for someone in a senior position to conduct those checks does not suffice, as these checks should take place prior to commencing work.

During the visit on 30 April 2025, one illegal worker was encountered at the premises. [REDACTED] confirmed that right to work checks were not conducted prior to him commencing work at the premises, as he did not provide any documentation. Despite this, he had been working at the premises for four months. Statutory right to work checks are required to be completed before an individual begins working. [REDACTED] was also wearing a 'KEBABISH' branded t-shirt, when arrested at the premises.

Whether by negligence or wilful blindness illegal workers were engaged in activity on the premises, yet it is a simple process for an employer to ascertain what documents they should check before a person can work. It is an offence to work when a person is disqualified to do so, and such an offence can only be committed with the co-operation of a premises licence holder or its agents. It is also an offence to employ an illegal worker where there is reason to believe this is the case. All employers are dutybound by law to conduct these checks, and guidance can be found on the GOV.UK website or by using a search engine. Additional information on how to conduct these checks is available online, including the Home Office's official YouTube page.

It is evident that there is a clear pattern of neglect towards conducting right to work checks. Despite there being nearly a six-year gap between the enforcement visits Immigration Enforcement have evidenced the licensing objectives, in particular crime and disorder, being undermined in both instances. **Gulam Husain NEAZY** was the manager in 2019 and is the current director of both **AM Pizza Centre Limited** and **Tasty Kebabish Limited**, which has been subject to a civil penalty. It is believed that while the premises licence is currently held by **Qazi Khan DARWESH**, **Gulam Husain NEAZY** has involvement in the premises. This undermines the licensing objectives currently and in the future.

It is also noted that the premises appears to be running as two separate businesses with two different shop entrances, however, workers can work within both shops, as

they share a connected countertop, open doorway as well as the main kitchen. This also means that two companies are making use of the late opening times contained within the granted licence, for visiting customers as well as those using several online delivery apps. However, they continue to share the staff between both businesses, whilst taking no shared responsibility for those working illegally within the premises.

Civil penalties totalling £60,000 issued in relation to illegal working at premises remains unpaid.

Section 182 guidance at point 11.27 states that certain activity should be treated particularly seriously, and this includes employing someone who is disqualified from that work by reason of their immigration status in the UK. 11.28 of the guidance states that it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Immigration Enforcement submits that, for commercial reasons, those engaged in the management of the premises employed illegal workers, and a warning or other activity falling short of a review is inappropriate; therefore, Immigration Enforcement has proceeded to review the premises licence.

Outcome Sought

The objective of the Licensing Act 2003 (the Act) is to provide a clear, transparent framework for making decisions about applications by individuals or businesses wishing to sell or supply alcohol or provide certain types of regulated entertainment and late-night refreshment.

There are four licensing objectives which underpin the Act, and which need to be taken into account and promoted throughout the licensing process.

The licensing objectives are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance and
- the protection of children from harm.

Pizza GoGo and Kebabish, under the control of Qazi Khan DARWESH and Ghulam Husain NEAZY have been found employing illegal workers. The licence holder would have been aware of their responsibilities to uphold the licensing objectives as they are clearly defined as part of the premises licence application.

Immigration Enforcement asks that the premises licence is **revoked**.

Merely remedying the existing situation (for instance by the imposition of additional conditions or a suspension) is insufficient to act as a deterrent to the licence holder and other premises' licence holders from employing illegal workers and facilitating disqualified immigrants to work illegally.

This submission and appended documents provide the licensing subcommittee with background arguments and information pertinent to that contention. These provide the sub-committee with a sound and defensible rationale as to why it should **revoke** the licence.

Civil Penalty Notice
Illegal Working

This is an important notice. Please do not ignore it.
You must either pay a penalty or object within 28 days of the date this notice is given.

This Civil Penalty Notice is issued in respect of (a) breach(es) under section 15 of the Immigration, Asylum and Nationality Act 2006.

Notice issue date: 10/10/2025
Notice given date: 14/10/2025

Reference: 332046

You are liable for a civil penalty

We encountered (a) suspected breach(es) of section 15 on 30/04/2025 at the following address: **Pizza GoGo, 5-5A Union Street, Aldershot, GU11 1EG.**

We have considered the information and evidence in your case, and concluded that you have breached section 15 of the Immigration, Asylum and Nationality Act 2006 by employing (an) adult(s) subject to immigration control who has a) not been granted leave to enter or remain in the UK, or b) their leave to enter or remain in the UK is invalid or has ceased to have effect, or c) who is subject to a condition preventing them from accepting the employment.

Your penalty amount

Your penalty is **£45,000.00**. You must pay on or before **11/11/2025**. However, your penalty amount is discounted by 30% to **£31,500.00** if you pay your penalty within 21 days (on or before **04/11/2025**) under the Fast Payment Option.

Your penalty breakdown

	Name	Date of Birth	Penalty value	Penalty reason
1.			£45,000.00	No right to work

Evidence of (a) breach(es) of the law

We hold the following evidence, as indicated by the presence of a cross [X] in the applicable box(es) below, that you have employed (an) illegal worker(s) in breach of section 15 of the Immigration, Asylum and Nationality Act 2006:

[X] Interview records from officials who visited your business premises

[X] Photographic evidence

[] Other:

This evidence shows that the illegal worker(s) identified was employed by you under a contract of service or apprenticeship and carried out work for which they did not have permission to undertake. The attached **Statement of Case** sets out the reasons for the breach for each worker and the supporting evidence.

What you need to do

You must pay your penalty of **£45,000.00** on or before **11/11/2025**. However, if you pay on or before **04/11/2025** the amount is discounted to **£31,500.00**. If you wish to object you must do so by **10/11/2025**.

If we don't hear from you

If you do not pay your penalty, set up an instalment plan by **11/11/2025**, or object by **10/11/2025**, the penalty will be registered with the civil court, after which enforcement action may be commenced immediately (see section 18 of the Immigration, Asylum and Nationality Act 2006). This may have an adverse impact on your ability to obtain future credit and act in the capacity of a director in a company.

Your information may be placed into the public domain as a non-compliant employer. Regardless of payment of the civil penalty you should also be aware that your information may be shared with other government departments and agencies, for example the Insolvency Service. This may result in company director disqualification and if you have a sponsor licence, this could also be suspended or revoked. If you are subject to immigration control, your civil penalty liability may be considered in any future Immigration application you make.

The Data Protection Act 2018 governs how we use personal data. For details of how we will use your personal information and who we may share it with please see our Privacy Notice for the Border, Immigration and Citizenship system at <https://www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship>. Dear Sirs,

Re: [REDACTED] – Date of Birth: [REDACTED] – Ref: 332046

We refer to your letter dated 26 Sep 2025 above and again would like to formally appeal against the civil penalty issued 30 April 2025, relating to the employment of Mr. Pardip Panta

We believe this penalty has been issued in error and respectfully request a review and cancellation based on the following grounds:

1. Employee's Right to Work

[REDACTED] held valid permission to work in the UK at the time of employment. As an employer, we conducted the appropriate right to work checks in accordance with Home Office guidance before employment commenced. The following document(s) were provided and verified:

- **Passport**
- **Biometric Residence Permit (BRP),**
- **Share Code and result from online right to work check, etc.]**

2. Compliance with Right to Work Check Procedures

We followed the prescribed procedures as required.

- Inspecting original documentation in person (or conducting an online check for applicable statuses);
- Ensuring the documents were valid and belonged to the individual;
- Retaining a dated copy of the documents as evidence of compliance.

We believe these actions constitute a statutory excuse under the law.

Request

In view of the above, we respectfully request that the civil penalty be withdrawn, as we had reasonable grounds and followed the correct legal process in verifying the employee's eligibility to work in the UK.

We are fully committed to our compliance obligations and welcome any further clarification or engagement required by your team.

Please confirm receipt of this appeal and advise on the next steps.

Yours faithfully,

Director

Good afternoon, Aimee

I hope you're keeping well.

Thank you for updating us on the future hearing set for the 03 March 2026, related to Pizza gogo and Kebabish.

I can confirm that Fiona will be attending and plan to support her online in case we again get documents served last minute by the reps.

I just wanted to confirm that we will not be including any further paperwork for this case and it can go ahead with the review pack and documents previously included.

One of the main reasons is that there is enough information in the pack to explain the case.

The only documents we potentially would relate to is with the civil penalty issue, but this was already handed in last minute by the reps on the day of hearing, and we can refer to it. It is clear that one is an objection outcome which cancelled the initial civil penalty to AM Pizza, and they then issued a new civil penalty to Kebabish LTD the same day.

The other document they produced was an objection letter, they made to the civil penalty team, and even though they did this again on the day of the hearing, this was just to try and confuse the issue. The civil penalty team received a copy of it several times, however, they failed produce any evidence stated, which included the share code and documents in regards the passport etc. This evidence has been dealt with by the civil penalty team already so we may refer to it.

I have left a sort of timeline below of events within the civil penalty, and some dates maybe a day out as it depends the day served or day raised on Home Office system.

What has happened to explain in plainer terms, is that the premises licence holder, is running two or more businesses from the same premises, and initially the main shareholder on companies' house is AM Pizza Centre Ltd.

When CP received the last objection, they delayed the process to look at all the information and evidence.

What actually transpired is that there was more information that identified the illegal worker working from the Kebabish side of the premises, wearing a Kebabish uniform, and putting salad into a Kebab he is serving to a customer. This is the point the initial CP was cancelled, and it was then issued to Kebabish LTD.

It is the premises licence holder's responsibility as they hold the licence for the whole premises. They decide who enters the premises and should uphold the licensing laws. The bank statements they produced at the hearing also says there's likely to be more than one business involved within the premises.

I have spoken to FI, and our own licensing team, and we feel there is enough to go ahead with this hearing, as the civil penalty remains unpaid and there has been illegal working within the property. There is no other real evidence to supply, as we have looked into the initial confusion, and having read the statements of the case from civil penalties, already served the owner when the civil penalty is issued, its clear the business has all the information we ill refer to.

If there is anything else that has been added by the reps in recent days, or I expect just before the hearing, could you please update us so we don't delay the hearing again to prevent more cost and time of the I A

Please let your team know about the timeline so as to explain the process.

Immigration representation in respect of an existing premises licence

On behalf of the Secretary of State, Immigration Enforcement makes representations for the following premises licence application, relating to the crime prevention objective, including the prevention of illegal working and immigration crime in licensed premises.

IE wishes to make representations on the application for the transfer of an existing premises licence.

Representations are being made for the following reasons:

Offence, immigration penalty, dates, penalty amount etc.

Immigration Enforcement formally objects to the transfer of a premises licence for Pizza Gogo / Kebabish, located at 5, Union Street, Aldershot, GU11 1EG.

The request to transfer the Premises licence was made before a review hearing on 03 March 2026, by Qazi Khan DARWESH, who transferred the Premises licence to NA Pizza Centre Limited, Company Number 16564470.

This objection is based on serious concerns regarding the management and operation of the premises, and clear links between the old and new directors of the premises, as detailed below.

The Current Director of NA Pizza Centre Limited, Company Number 16564470, is Nisar Ahmad NEARY, who incorporated the company on 07 July 2025. NEARY also became director of NA KEBABISH LIMITED (17008546), when this business was incorporated on 03 February 2026.

The address for both companies is 5 and 5a, Union Street, Aldershot, GU11 1EG. This is the same as the current premises of Pizza GoGo and Kebabish, for which we have already requested a hearing to review the premises licence.

Home Office Checks.

At the last review hearing of 03 March 2026, the Legal representative who attended on behalf of the premises licence holders, stated there was no links between the new proposed owner, and the old.

The Home Office Licensing Compliance team have carried out immigration checks for the new proposed licence holder, Nisar Ahmad NEARY and any other names listed in the previous review pack, to show the family links.

Nisar Ahmad NEARY, DOB 24 February 2008, is recorded as a (GBR) British Citizen, on Home Office systems, and is recorded as initially holding an alias name of Nisar Ahmad NEAZY, an (AFG) Afghanistan National.

On 07 October 2017 NEAZY (son) was Granted British Citizen under the section 3(1) of the British Nationality Act 1981, having been sponsored by his Parent / Responsible adult, known to the Home Office as Ghulam Husain NEAZY, DOB 01 January 1985, who is recorded as a British Citizen on Home Office systems from 26 February 2014, having attended his Naturalisation ceremony.

Immigration Enforcement

On the 07 February 2018 the British passport was issued to a Nisar Ahmad **NEARY**, DOB 24 February 2008, which records the name change from **NEAZY** to **NEARY**. Home Office systems also recorded as a parent on this application as Ghulam Husain NEAZY. Nisar Ahmed NEARY, has also been issued with a British Passport in May 2023, and has his address stated as 33 Manor Road, Aldershot, GU11 3DG, recorded on Home Office systems.

This is a clear link with new formed director Nisar Ahmed NEARY, the proposed new owner of the premises licence, as the son of Ghulam Hussain NEAZY, the current director, and one connected to the business, and also linked to Qazi Khan DARWESH, the previous premises licence holder.

Qazi Khan DARWESH, is also connected to both AM PIZZA CENTRE LIMITED - Company number 14301753 and TASTY KEBABISH LIMITED - Company number 14304254 having resigned from both companies on 01 June 2025, once a civil penalty was received from illegal working on the premises.

Ghulam Hussain NEAZY, then became director of both AM PIZZA CENTRE LIMITED - Company number 14301753 and TASTY KEBABISH LIMITED - Company number 14304254, on 01 June 2025, after DARWESH resigned.

Therefore, on the balance of probabilities, this premises licence transfer, is likely to have been completed only minutes before our review hearing, to avoid action being taken by the Home Office to prevent further crime and disorder in the premises, in regard to the previous illegal working, for which both NEAZY and DARWESH have refused to take any responsibility whilst they run this premises.

It is believed that the effective control of this premises will remain with NEAZY and DARWESH who are named within our initial application to review the premises licence.

It is considered that the prevention of crime and disorder objective would be prejudiced if the application is allowed. The Home Office objects to the transfer of the premises licence to Nisar Ahmed NEARY.

IE objects to the grant of an application for the transfer of a premises licence to the applicant.

Reasons for which there is a risk to the licensing objectives, and why the objection is appropriate to prevent crime including illegal working in licensed premises.
