

## **ENVIRONMENT POLICY AND REVIEW PANEL WORK PROGRAMME**

Set out below are the key issues which form the Panel's on-going work programme. The topics covered reflect the following:

- the development of a new policy for recommendation to the Cabinet
- scrutiny of the process of the way in which decisions have been or are being made
- reviewing issues of concern to local people or which affect the Borough
- review of performance and delivery of specific services
- monitoring and scrutinising the activities of others
- items raised by Members and agreed by the Panel for consideration
- review of policies and proposals developed by others

The purpose of the work programme is to identify the way in which topics are being dealt with and the progress made with them. An update will be submitted to each meeting of the Panel.

### **ENVIRONMENT PORTFOLIO ACCOUNTABILITY AND AREAS OF RESPONSIBILITY**

#### **Planning and Building Control**

To carry out all functions falling to be determined by the Council in relation to planning policies including regional, structure and local plans and non-statutory development plans and policies.

To carry out the Council's functions in respect of the necessary statutory provisions in relation to all matters related to applications for and enforcement action under the building regulations and issues relating to the building acts and any other associated legislation, regulations and provisions, including provisions on dangerous buildings and structures and means of escape in case of fire.

To deal with the planning and transportation policy aspects of major development and re-development proposals.

To carry out the Council's functions in respect of the definition and re-definition of conservation area boundaries and policy issues relating to trees and nature conservation.

To study planning and transportation proposals outside the Borough, which may affect the Borough, and to make representations thereon as appropriate.

To exercise the Council's functions in the preparation, approval and management of schemes for environmental improvements in the Borough.

To approve and administer schemes for historic buildings and access grants

To deal with planning policy aspects of economic development proposals in the Borough

To deal with matters relating to service administration and working arrangements in relation to the Development Control Service.

-----

### **Economy and Regeneration**

To promote the regeneration of the Borough through the development of policies and initiatives to promote the long-term success of the local economy and through the development of partnerships with local and regional organisations in relation to town centres and local centres.

To control and manage markets.

To liaise with the European Community, the Government Office for the South East and other appropriate bodies and to, where possible, seek financial assistance for initiatives to assist regeneration and the local economy.

-----

## Street Scene Services

To deal with all highways matters either under statute for action by the Council or under agency arrangements with the appropriate highway authority, including:-

- Matters relating to the regulation of traffic, restrictions on the use of highways (including the making of traffic regulations orders) and the provision of parking places;
- Matters concerning the control, naming and lighting of streets (including the numbering of houses, siting of litter bins and other street furniture), and the exercise of the Council's powers under the New Streets Byelaws ;
- Matters relating to private streets, including their making up under private street works procedures or the advance payments code;
- Adoption of highways; and
- Approval of the siting of telephone kiosks, post boxes, cables, mains and other apparatus in, under and over the highway.

To deal with the removal and disposal of abandoned vehicles

To deal with all issues in relation to the provision and management of car parks (including parking charges and the provision of parking bays for the disabled).

To deal with matters relating to road safety, in conjunction with the County Council, as appropriate.

To deal with matters relating to the street scene including street cleansing (highways, parks, car parks, the provision of litterbins, removal of flytips and litter education).

To deal with discretionary matters relating to land drainage.

-----

## Environmental Health

To exercise environmental health powers (other than those licensing powers dealt with by the Licensing Committee) exercised by the Council in relation to the following issues:-

- public conveniences;
- refuse, salvage, waste collection/disposal, recycling and waste minimisation;
- cemeteries, burial grounds and crematoria;
- environmental health issues in relation to the control of markets;
- Sunday trading;
- caravans and caravan sites;
- food safety and hygiene matters;
- infectious diseases;
- pest control; and
- control of dogs.

To develop the policy framework in relation to the environmental health functions to be discharged by the Council (including those issues identified under the Licensing Committee) and to make recommendations to the Council where such policies affect the overall policy framework of the Council.

-----

## Other Matters

To carry out all statutory and discretionary functions relating to sewers and drains.

To deal with all matters relating to the administration and enforcement of the Council's byelaws relating to the functions of the portfolio.

To deal with issues relating to the letting and monitoring of contracts relating to the functions in the portfolio.

To develop and monitor initiatives for landscaping and Christmas decorations for shopping areas, etc.
