REPORT NO. FIN1732

APPLICATIONS FOR DISCRETIONARY RATE RELIEF

SUMMARY AND RECOMMENDATIONS:

SUMMARY

This report sets out two new applications for Discretionary Rate Relief

RECOMMENDATIONS

Cabinet are recommended to approve the following awards:

- a) The Lisa May Foundation 20% top-up relief until 31 March 2022, and
- b) Andover Mind 10% top-up relief until 31 March 2022

1. INTRODUCTION

- 1.1 The purpose of this report is to:
 - Outline the background and financial implications of Discretionary Rate Relief.
 - Consider two new applications for Discretionary Rate Relief.
 - Examine the overall budget position for cost impact of Discretionary Rate relief applications for 2017/18.

2. BACKGROUND

- 2.1 Mandatory Relief is available at 80% of the rates payable, and to qualify an organisation must:
 - Occupy a property or rating hereditament which is used wholly or mainly for charitable purposes, and
 - Be established for charitable purposes only, or
 - Be accredited as a community amateur sports club.
- 2.2 A local authority had discretion to grant "top up" relief of up to the additional 20% to charities that have received the 80% mandatory relief.
- 2.3 In addition, an authority can grant relief of up to 100% to other ratepayers.

3 APPLICATIONS FOR RELIEF

- 3.1 Full details of the applications are set out in Appendices 2 and 3 and are for The Lisa May Foundation and Andover Mind.
- 3.2 Both applicants are entitled to 80% Mandatory Relief and therefore the applications are for the "top up" 20[%] Discretionary Relief.
- 3.2 The portfolio holder for Concessions and Community Support met with the Principal Revenues and Benefits Officer on 29th September 2017 in respect of the applications.
- 3.3 During the meeting the Portfolio Holder examined both applications in detail and has set out a recommendation for the level and period of support that could be provided for both organisations as outlined in paragraph 3.4 and 3.5 below.
- 3.4 **The Lisa May Foundation –** the suggested level of support is 20% top up relief until 31 March 2022, which is the end of the current 5-year rating list. This decision was made owing to the strong local focus of the Foundation and is consistent with the criteria applied to all other local charities that have applied for Discretionary Rate Relief.
- 3.5 **Andover Mind** the suggested level of support is 10% top up relief until 31 March 2022, which is the end of the current 5-year rating list. This decision was made owing to the Foundation providing support to a wider area and is consistent with the criteria applied to all other large charitable organisations that have applied for Discretionary Rate Relief and who contribute to the local economy.

4 FINANCIAL IMPLICATIONS

- 4.1 Since 1st April 2013, the Business Rates Retention Scheme has introduced a fundamentally new set of arrangements for dealing with the cost of rates. The cost to the Council of granting any relief is most reliably estimated at being 40% of the value of relief granted. Although the total cost is ultimately determined by a range of factors, such as the Council's total rate receipts measured against its estimated threshold for growth, taking into account any payment levies or safety net contributions payable or receivable.
- 4.2 Appendix 1 shows those charitable organisations that qualify for 80% mandatory relief and which have been granted additional "top up" discretionary relief. The organisations are grouped together under generic headings, and the period of grant.
- 4.3 Appendix 1 also sets out summary details of the non-charitable organisations that are currently in receipt of relief. The appendix includes the value and costs of relief and period of grant.

4.4 If Discretionary Relief were awarded to both applications, the financial effect on the Council would be £404.00.

5 RISKS

5.1 If the suggested level of Discretionary Relief is awarded to both applications, the financial effect on the Council remains relatively low at £404.00 for the year 2017/18.

6 CONCLUSIONS

6.1 The Portfolio Holder for Concessions and Community Support is supportive of the applications to the level in the report. Each case was reviewed on its own merit and the decision made is within the criteria of the Discretionary Relief policy and is in line with other similar organisations.

The Lisa May Foundation is a local charity that supports other selected local charities in Surrey, Hampshire and Berkshire, at the same time raising funds for victims of natural disaster across the world.

The charity was founded after Surrey Heath Councillor John May lost his daughter, Lisa to the tsunami that devestated Thailand in 2004.

The Lisa May Foundation were previously based in Surrey Heath but have recently moved their operations to Farnborough, in one of the suites at the recently refurbished Abbey House, now known as Arena Business Centre.

Initially The Lisa May Foundation focused on raising money for victims of natural disasters but in 2011 the foundation was relaunced as an "umbrella charity", supporting various local charities each year, in addition to helping rebuild the lives of those who have been effected by natural disasters.

The chosen charities work on rotation so as many people are helped as possible, the current causes being supported are: Surrey Young Carers, The Prostate Project, and Parity for Disability.

They also support smaller projects who require minimal cash injections which are Care Uk, Kennel Lane's Forest School and Farnborough Befrienders.

All that we do by raising funds goes to relief aid both locally and further afield on occasions. The lower costs we have, the more we are able to do.

Supporting Information for Discretionary Relief

The Lisa May Foundation have sent a letter to support their application for discretionary rate.

Supporting Information for Discretionary Relief.

In 2011, we extended our remit to support local charities after our Founder finished his term as Mayor of Surrey Heath. He wanted to help worthy local charities suffering their own waves of disaster as budgets continue to be cut.

As natural disasters do not happen every day, we reached out to organisations locally that need help to continue their great work in our communities, Since then we have taken several local charities under our wing.

The charities we help include; **Parity for Disability** which has centres in Farnborough, Mytchett and Camberley, **The Prostate Project** which supports and treats prostate patients and their families at both **Frimley Park Hospital** and **The Royal Surrey County Hospital** in Guildford. As well as, our **Surrey Young Carers** whom we provide with much needed activity days out.

We also help other one off projects from time to time when funds allow. Most recently we have helped out the **Vine Centre** in Aldershot by donating new warm clothing at Christmas. We have also made hampers for the elderly living on their own to provide them with a few festive treats.

The more we save on overheads and outlay the more we can do for those who really need it.

Please help us do more.

Thank You

Lisa May Foundation

Andover Mind is a local charity that is a major provider of mental health support services. We offer counselling, youth counselling, dementia advice and support services. We also run well-being centres across Hampshire. Andover Mind also engages with the local community to promote mental well-being and to challenge stigma and discrimination.

In what ways is organisation involved at local, regional or national level?

Andover Mind is affiliated to the national "Mind network. We work together to provide advice and support to empower those experiencing a mental health problem. We attend local events to promote our work and fundraise. We also promote what we do at local health partnership level.

Yes – The safe haven service is run from the building during the evenings and weekends to give support to individuals in mental health crisis to avoid them attending inappropriately at A&E departments.

Does the organisation actively encourage membership from under represented members of the community?

As a mental health charity, we strive to combat and challenge stigma and discrimination, which is part of our organisation values and mission statement. We deliver services following our equal opportunities and equality and diversity policies, which are regularly reviewed. We will specifically be targeting our outreach work in the Ghurkha community

What specific facilities are there for underrepresented members of the community?

We create a welcoming environment in our well-being centres to encourage attendance by all sections of the community no matter how under-represented they may be.

What training or educational facilities are provided for members?

We run mental health awareness training courses both in the well-being centre and in local business, schools and colleges.

We offer adult and youth counselling.

How would an award of relief to your organisation benefit the local community?

We operate a very lean organisation so that the majority of income can be used

directly to deliver the aims and objectives of the organisation. At Andover Mind we believe no one should have to face a mental health problem alone, so we are here for local people whether they are stressed, depressed or in a crisis or just want some ideas about how to look after their mental health.

If we are granted an award of relief that would enable us to deliver increased support to the people of Rushmoor. This could equate to more confidence building and other well-being courses, more peer support, more adult and youth counselling and could pave the way for more outreach work in the Nepali and other minority communities.
