Dear Sir/Madam,

Having just passed The Funky End and noticed the application to extend there license to 2am. I thought I would send an email to show my support for the application. The Funky End offers so much to the town for people who are not interested in being around 18-21 year olds in venues such as Popworld. I have been a regular in the pub for many years and find the owners and staff very polite, it has a wide variety of activities in the week and different types of music and events at weekends, also holding special events bringing people in to the town.

I know the pub has had its reputation tarnished recently by some very harsh press reports and being blamed for trouble outside the venue, which in my opinion wouldn't have happened had the policing been better in the town. I personally feel extremely safe in the pub unlike other establishments in the town and have witnessed a very professional door team at work.

I do hope the licensing committee can see that The Funky End has done its very best to eradicate any problems there may have been, and that they grant the 2am license. As it is not only a great venue for the local community but also a business run by 2 local guys as a local public house with personality and drive and not a large money grabbing brewery with no soul.

Yours faithfully,

I am writing to you to make representation regarding the Licencing application for The Funky End , Aldershot REF 16/00693/LAPRE

I am a local resident that is 47 years young living just 200 yards from the premises and a regular patron for the last 15 years, Having watched the efforts of the owners to provide an enjoyable and freindly pub I feel that recent events have put a massive strain on the buisness with the possible outcome being closure should a late license not be granted. This would be a crying shame as I feel it to be only 1 of 2 venues within the town centre where I feel completely at ease . At no time in all the years that I have drunk at the venue have I ever felt threatened or uncomfortable weather it just be for an after work drink to wind down after a a tough day or to enjoy a dance and drink with freinds both old and new. In a town which has numerous shop and pubs boarded up to have this venue go the same way would be very sad indeed not to mention the loss of jobs for staff members, owners and dj's which all bring a very welcoming atmosphere. Please dont let the actions of a very minor few ruin what is a great venue and asset to Aldershot

In support of The Funky End's 2am license application

To whom it may concern:

I'm a local resident and regular visitor to the Funky End and I'm very much in favour for it getting a late license back to 2am.

I work from home and can go for days without interacting directly with people so for me the Funky is a lifeline and a chance to meet people. I've built up a great set of friends with both staff and regulars over the last 2 years and would hate to have to start all over again with a different venue. Being single I know I can go in there on my own and guarantee I will see somebody I know and not feel uncomfortable that I'm in a place with a load of strangers. When I am out on a Friday or Saturday, the Funky End has a friendly and safe atmosphere unlike some of the other venues in Aldershot which up till now I have not ventured into.

The Funky End is a great little establishment and I would hate to loose it, as I know if they don't get the extension it will most likely close down. This would be a shame to all who use the place regularly. For a lot of us the Funky End is not just a place to let of steam on a Friday or Saturday night but it is somewhere to go and unwind after work or blow away the cobwebs with a midweek quiz on a Wednesday.

Over the last few months, as somebody who lives opposite the venue and sometimes home on a Friday or Saturday night, I'm in a good position to tell you that there haven't been any incidents or loud noise coming from the venue even on its 2am closing. Due to this I can't see a reason to reject the application this time.

Good Afternoon

To Whom It May Concern ,

I would like to say since I moved to Aldershot about 10 years ago the funky has become my local , It is a great pub with a great set of regulars and owners ,& I can say hand on heart Ive seen less trouble here than I have in both of the other 2 pubs located in centre of town , Infact im astonished that the best managed pub had their licence revoked when others haven't. I believe this to be totally unjust , If you asked any of the majority of people who live in Aldershot which is best pub , with least trouble , 99% would say The funky without a doubt.

I have got to know both owners during my time here and both work extremely hard for the pub to become a place for Aldershot to be proud of and regularly hold family days and support local bands etc.

I really hope you can see that this pub is actually an asset to the community and allow them to have their full license back as I know they will have to shut down if they can't at least be able to open the same time as other pubs in area. The last thing this town needs is another boarded up business , especially as this one is the first thing people see when they get off the train.

If anyone wishes to discuss anything with me I'd be happy to & once again I really hope you come to the right decision here.

Should further information or assistance be required please do not hesitate in contacting us.

Dear Sir/Madam,

I am writing to you representing the Aldershot Civic Society and our support for the Funky Ends License.

The Funky End has hosted meetings for the Aldershot Civic Society, and the owners, Gavin and Oliver have always been welcoming and professional to our organisation. For a town centre pub/bar it is increasingly more unusual for there to be a venue that is welcoming and friendly to everyone, and I have always been surprised at the diversity people and ages that regularly attend this establishment.

From a personal point of view, the Funky End is the only late pub/bar in Aldershot I would feel safe going in after midnight, as I have always found it well managed, diverse and having a good friendly atmosphere. It would be unfair on those that use the premises with the same viewpoint as my own to be denied the one venue we feel safe in late night in Aldershot town centre.

It's location next to the station is also good for people coming back from London or surrounding towns, after a night out at the theatre etc. This means that people do not have to drive and stay late elsewhere, but can use public transport and socialise at the Funky End after their show. With this in mind it makes sense that the venue should be open until 2am or it would be closed when you return to Aldershot.

It is the society's view that the local authority should be showing the highest support for the Funky End, as being the sort of venue Aldershot needs in its town centre, and this is the sort of venue we are happy to support opening late to enhance our night time economy.

Dear Sir

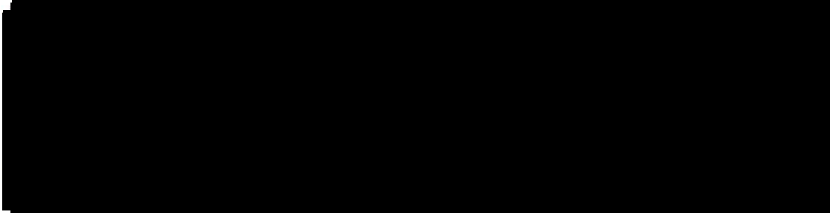

I am writing to support the application by the funky end to increase their hours of business, which I know is extremely important for their survival. I am a 73 year old male pensioner. I have had a triple heart bypass and suffer with arthritis in my lower spine. I have been using the Funky End for some fifteen years since the proprietors first purchased the lease. I have been welcomed and looked after throughout these years. In fact my 73rd birthday celebrations were held there just two weeks ago with friends I have made in there, through the years. It is also my only social outlet in Aldershot as my family live 210 miles from here in Hayle in Cornwall. so I would respectfully request that you approve these licence changes. There are many people who feel as I do about this.

I remain yours with respect.

Dear Sir,

I am writing today to support the extended opening hours license application of The Funky End ,Aldershot.

My family and I have been drinking in The Funky End for several Years, we feel safe and happy in the very friendly environment within the pub .I am in support of the extended opening hours so that they

I visit the pub for the quiz night on Wednesday's and sometimes on a Friday evening, Saturday or Sunday lunch time and at these times it is often very quiet. In these days when public houses are closing due to poor takings and lack of customers it seems a shame to limit this and any other public houses ability to make money when they can.This pub is a meeting place for locals ,organises charity events, showcases top entertainment acts and is a big part of the local community, by allowing them to remain open later they will be able to compete with other clubs and pubs in the area and increase their profits for times when they are less busy. The Funky End also employs many wonderful staff, without the late opening their jobs would be at risk.

My only concern is to some of the restrictions that they have had placed upon them with the new licence ,e.g. the use of plastic drinking vessel after 9pm,and that drinks must be decanted into these vessels. To my knowledge there has never been glass related incidents in this pub.I am a middle aged woman who likes to drink wine or sparkling wine out of a glass and would be upset if told I was not allowed a glass, or even had my drink removed and decanted. This in my eyes would cheapen the ambiance of the public house, as well as adding further expenditure to the manager's ever increasing costs.

I respectfully ask that the Funky Ends Licence be extended to allow them to be competitive with others in the area.

Yours Sincerely
