Agenda Item No.3 : Page 23

Correction to Committee Date: should read: **29th May 2019.**

Section C – Items for Determination

Item 6; Page 45

Application No. 19/00229/FUL

Proposal Construction of new access road across part of existing car park area at No.17 Invincible Road to link with Elles Road at a new road junction with highway signage, extension to central reservation and white-lining, re-arrangement of parking layout and vehicular access to the reduced curtilage of No.17 Invincible Road, and creation of additional parking area to south side of No.17 Invincible Road

Address **17 Invincible Road Farnborough**

Updates to Report:

HCC Highways Development Planning have responded to the receipt of additional information from the applicants to indicate that they are content that the proposals are acceptable in principle. Whilst some details of the proposed junction design need to be finalised, these are matters that can be dealt with in the separate consent that is required for the works under Highways legislation that is under their control.

Thames Water raise no objections.

An additional representation in support of the proposals has been received from the occupiers of **Shieling House, 30 Invincible Road**. It is considered that the proposals would be a major benefit to all users of Invincible Road.

Amended Condition No.2:

2. The permission hereby granted shall be carried out in accordance with the following approved drawings - Drawing numbers: 001, 001 Site Block, 007 **Rev.C** (Visibility Splay), 008, 1001 Section A, 1001 Section B, 1001 Section C, 1001 Section D; and Design & Access Statement.

Reason – as set out in the report.
