Page 24 – Add to 'Neighbour comments' section:

Additional photographs have been received from a previous objector at 91 Giffard Drive, providing further examples of cars parking on and obstructing the pavement in the vicinity of the surgery.

Page 26 - Add to 'Neighbour comments' section:

Further representations of support have been submitted to the Council and as of 5pm today there have been a total of 344 representations of support. The majority of the representations are from addresses in Farnborough. The reasons for support repeat those reasons previously raised and summarised on pages 26 and 27 of the committee report.

Further letters of support have also been received today from:

- Voyager Family Health
- Giffard Drive patient Support Group
- North East Hampshire and Farnham Clinical Commissioning Group (NHS)

Each letter outlines the need for the proposed services and the expansion of the surgery.
