

Partner information	
Agency	National Probation Service
Name	Joanne Bridgeman
Role	Senior Probation Officer

Priorities	
Priority	Anti-social behaviour
Strategic Assessment Narrative	Anti-social behaviour was widespread across all three areas. It has the potential to affect individual lives and whole communities, and, if not dealt with efficiently and effectively, can quickly escalate. Over the coming year the partnership will continue its work with victims and perpetrators of ASB.
Insert below how you worked in partnership over 2018/19 to tackle the above priority, include details of any specific projects or partners work with.	
<p>Offenders typically under the umbrella of anti-social behaviour who are managed by the NPS fit the criteria for management under IOM. IOM provides a greater level of oversight and offenders are jointly managed by Police and Probation.</p> <p>We invite NPT Officers to MAPPA meetings to discuss and agree risk management plans.</p> <p>Where high risk of serious harm is apparent we seek to manage cases using a joined up approach under the MAPPA provision.</p>	
Measurable outcomes	<p>Successful completion of Court Order / Licence</p> <p>Successful move on from IOM House</p>

Priority	Alcohol related violent crime
Strategic Assessment Narrative	The impact of alcohol is a key theme and facilitator for criminal behaviour. A considerable proportion of alcohol related offending occurred in the town centre beats, at night and around licensed premises. As such over the coming year Safer North Hampshire will focus on reducing violence against the person offences with and without injury.
Insert below how you worked in partnership over 2018/19 to tackle the above priority, include details of any specific projects or partners work with.	
<p>Attendance at IOM / DRR /ATR meetings</p> <p>Assessment at Court stage for suitability to engage in treatment related orders</p> <p>Use of licence conditions requiring engagement in alcohol intervention</p> <p>Use of Approved Premises where appropriate which incorporates alcohol testing</p> <p>Referral to RESOLVE (violent related offending programme)</p> <p>Completion of 1-1 work with offenders in supervision appointments</p>	
Measurable outcomes	<p>Successful completion of ATR</p> <p>Successful completion of Court Order / Licence</p>

Priority	Vulnerabilities
Strategic Assessment Narrative	Vulnerability is high on the CSP agenda and relates to everything the partnership deals with. From prevent, child sexual exploitation and modern day slavery, to domestic abuse, hate crime and anti-social behaviour, vulnerable people are at the forefront of the work of the Community Safety Partnership and will remain to be over the coming year.
Insert below how you worked in partnership over 2018/19 to tackle the above priority, include details of any specific projects or partners work with.	
<p>Attendance by staff at CSE training.</p> <p>Attendance by staff at Child Safeguarding and Domestic Abuse training and Adult Safeguarding mandated every 3 years.</p> <p>Domestic abuse – referral to Building Better Relationships Programme</p>	

Partner Link Worker provision through BBR Use of licence conditions Referral to IOM under domestic abuse cohort Mandated hate crime module for all hate crime convictions Prevent and Tact agenda Referral to Adult Services / MASH Referral at Court for modern slavery concerns through National Referral Mechanism	
Measurable outcomes	Successful completion of Licence / Court Order Tracking of staff attendance at mandated training Successful completion of BBR

Priority	Substance misuse
Strategic Assessment Narrative	Several issues surrounding substance misuse have been highlighted in the Strategic Assessment. Where details were available, more than 10% (11%, n2740) of offences were linked to alcohol and in addition levels of street drinking have been of concern. Over the coming year Safer North Hampshire will continue to focus on these issues.
