

Rushmoor Borough Council
Pay Policy Statement for the Financial Year 2021-2022

Purpose

The purpose of this pay policy statement is to set out Rushmoor Borough Council's (RBC's) policies relating to the pay of its workforce for the financial year 2021-22, in particular: -

- a) the remuneration of its Chief Officers
- b) the remuneration of its "lowest paid employees"
- c) the relationship between
 - the remuneration of its Chief Officers
 - the remuneration of its employees who are not Chief Officers

Definitions

For the purpose of this pay policy statement, the following definitions will apply: -

"Chief Officer" refers to the following roles within RBC: -

- Chief Executive, as Head of Paid Service*
- Executive Directors
- Heads of Service

The **"lowest paid employees"** refers to permanent or fixed-term staff employed at Grade 1 of the pay scale. Grade 1 is the lowest grade.

An **"employee who is not a Chief Officer"** refers to all permanent or fixed-term staff who are not within the "Chief Officer" group above, including the "lowest paid permanent employees" i.e. staff on Grade 1.

Remuneration of the "lowest paid employees" and "all other employees who are not Chief Officers"

Pay framework

Pay for the "lowest paid employees" and "all other employees who are not Chief Officers" is determined by the National Joint Council for Local Government Services and in line with the council's Pay and Reward Policy.

Not included in the definitions referred to above, there is a small and fluctuating number of 'casual' staff, some of whom receive lower salaries in accordance with minimum wage legislation.

The employment of casual staff recognises the need to have a small team of trained and available workers who can be deployed at short notice to assist with seasonal and emergency requirements. This approach enables the organisation to have an efficient and economic response to workload demands but without the need to incur unnecessary costs or to rely upon employment agencies. The use of casual contracts is regularly reviewed and staff engaged in this way are encouraged to apply for permanent roles when they become available.

The only other group employed by the Council who are excluded from the pay comparison data are apprentices. The apprentices are employed for a designated period during which time they are provided with on and off job training alongside the opportunity to gain valuable experience within a working environment. For this reason, the salary comparison would not be relevant.

The Pay and Reward Policy was implemented in April 2007 in line with National guidance, with the grade for each role being determined by a consistent job evaluation process. This followed a national requirement for all Local Authorities, and a number of other public sector employers, to review their pay and grading frameworks to ensure fair and consistent practice for different groups of workers with the same employer. The NJC framework for Job Evaluation was up-dated during 2013 and appropriate revisions made to the procedure for collecting data for evaluation to streamline the process and assist with pay comparability within Rushmoor Borough Council.

The Council's grading structure is based on the NJC terms and conditions using the national spinal column points with the addition of a number of spinal column points at the top of the scale. There are 12 grades (1 – 7, Service Manager, Corporate Manager, Head of Service, Director and Chief Executive) in the pay framework, grade 1 being the lowest and Corporate Manager, the highest (for those below Chief Officer). Each employee will be on one of the 12 grades based on the job evaluation of their role.

Each grade has a number of incremental steps and employees can progress along the salary range to the maximum of their grade, subject to assessment of their performance.

Pay awards for those staff up to and including Grade 7 are determined directly from the negotiations held between the Local Government Employers and the recognised Trades Unions. Since the implementation of the Council's pay framework, the same percentage award has been applied to all other grades including that of Chief Officers.

It should be noted that on 3rd September 2013, Cabinet made a decision to adopt the Foundation Living Wage Scheme, and hence the minimum wage in Rushmoor has reflected this. From 1st April 2019, the NJC pay rates will align with the Living Wage and hence this adjustment will no longer be necessary.

The analysis used for this report draws upon the pay rates as at 1st April 2021.

The remuneration of the “lowest paid employees” includes the following elements: -

- Salary
- Any allowance or other contractual payments in connection with their role

See below for comments on each element

Salary

Each “lowest paid permanent employee” is paid within the salary range for Grade 1.

Details of the Council’s grades and salary ranges are available on the website.

The normal starting salary for new employees will be at the entry point for the grade. However, at the appointing managers discretion, based on their assessment of skills and experience employees may commence at a higher grade point.

Other payments and allowances

Any allowance or other payments will only be made to staff in connection with their role or the patterns of hours they work and must be in accordance with the Pay and Reward policy. In a small number of roles where significant recruitment difficulties are experienced, a market supplement is paid. Market supplements are reviewed annually to ensure they are still required.

Further details of such allowances and payments are available on request.

Progression within the salary scale

The Council has a performance management and development review scheme in place. This embraces a number of elements including a joint review of performance, sharing organisational/team goals and agreeing future plans. Progression through the incremental scale appropriate to the grade is dependent upon performance being assessed as satisfactory by the staff member’s line manager.

In exceptional cases where staff members have consistently delivered exceptional performance, more than one incremental point may be awarded, with the approval of the Head of Service.

Pension

All Rushmoor Borough Council staff are eligible to join the Local Government Pension Scheme. There is automatic enrolment procedure in place to encourage membership of the scheme.

Severance Payments

Any severance payments will be in line with the Council's adopted policies on Organisational Change and MARS (Mutually Agreed Resignation Scheme). Further details are available on request.

Remuneration of Chief Officers

Pay framework

"Chief Officers" refers to the Chief Executive, Corporate Directors and Heads of Service.

This group of "Chief Officers" are paid on locally determined pay scales outside of the NJC agreement. These pay scales were created by extending the NJC spinal column points, and since the implementation of the Pay and Reward policy, these Chief Officers have received the same annual percentage pay award as all other employees within the Council.

Salary

Salaries of the Council's Chief Officers are published on the council's website.

The normal starting salary for new employees will be at the entry point for the grade., However, at the appointing managers discretion, based on their assessment of skills and experience employees may commence at a higher grade point.

Other allowances or payments

Any allowance or other payments will only be made to staff in connection with their role or the patterns of hours they work and must be in accordance with the Council's Pay and Reward policy.

The Chief Executive is appointed by the Council to act as the Returning Officer at the election of councillors for the Borough and as acting Returning Officer at Parliamentary Elections. The additional fees associated with these functions will be paid in accordance with those set nationally or locally through the Hampshire and Isle of Wight Elections Fees Working Party.

Within the fees structure for elections, provision is made for payments to staff for specific duties. These payments are also made in accordance with nationally set rates or locally through the Hampshire and Isle of Wight Election Fees Working Party. Details are available on request.

Further details of such allowances and payments are available on request.

Progression within the salary scale

Progression through the incremental scale appropriate to the grade is dependent upon performance being judged as satisfactory or higher at the end of the review year.

Pension

All employees are eligible to join the Local Government Pension Scheme but the value of these benefits has been excluded from the figures used for pay comparison purposes.

Severance Payments

Any severance payments will be in line with the Council's policy for Organisational Change or MARS scheme and further details are available on request.

The relationship between remuneration of highest and lowest paid employees of the council.

There are a number of different ways of presenting this information to provide a rounded picture of pay comparisons within the organisation.

The lowest, median and highest salaries as at 1st April 2021 are as follows:

| | |
|---------|----------|
| Lowest: | £18,562 |
| Median | £34,729 |
| Highest | £124,125 |

By simply taking the salary of those permanently appointed employees paid on the lowest grade of the council's pay structure and comparing this with the Chief Executive a pay ratio of **1:6.7** emerges. This is the same as in the previous year's ratio.

The Hutton Report (2010) that looked at the relationship between pay levels in the public sector recommended that organisations should comply with a maximum pay multiple of **1:20**. Rushmoor is well below that ratio.

An alternative approach would be to compare the Chief Executive's salary against the median salary. This equates to a ratio of **1:3.6** which is a slight change to the **1:3.8** ratio, which was previously reported.

There has been no significant movement over the last 12 months. These results indicate that there is no cause for concern regarding the ratio between the pay rates for staff and the Chief Executive.
